### SCIENCE

<b>Marvellous Me!</b>	<b>Let's Celebrate!</b>	<b>Traditional Tales</b>	<b>People Who Help Us</b>	<b>Mini Beasts</b>
<ul style="list-style-type: none"> <li>● Learning about bodies and how to keep ourselves healthy.</li> <li>● Learning about growth and development of humans.</li> <li>● Learning about the different phases of life our bodies go through.</li> </ul>	<ul style="list-style-type: none"> <li>● Exploring seasons of the year and what signs they can see around them in the natural world.</li> <li>● Weather through the seasons.</li> <li>● Learning about different times of day.</li> <li>● Exploring Snow/Ice and its properties.</li> </ul>	<ul style="list-style-type: none"> <li>● Exploring habitats through settings</li> <li>● Exploring materials and their properties and uses.</li> <li>● Comparing materials and their properties.</li> <li>● Choosing materials for a purpose based on their properties.</li> </ul>	<ul style="list-style-type: none"> <li>● Learning who helps to keep us healthy.</li> <li>● Learning who helps to keep us safe.</li> <li>● Learning how to look after our environments and why this is important.</li> <li>● Learn parts of the body</li> </ul>	<ul style="list-style-type: none"> <li>● Learning about different living things and grouping them</li> <li>● Learning about different habitats</li> <li>● Learning about plants and growing.</li> <li>● Identify different creatures and their features.</li> </ul>

#### **Year 1 National Curriculum Expectations**

##### **WORKING SCIENTIFICALLY**

During years 1 and 2, pupils should be taught to use the following practical scientific methods, processes and skills through the teaching of the programme of study content:

- asking simple questions and recognising that they can be answered in different ways
- observing closely, using simple equipment
- performing simple tests
- identifying and classifying
- using their observations and ideas to suggest answers to questions
- gathering and recording data to help in answering questions.

##### **PLANTS**

- identify and name a variety of common wild and garden plants, including deciduous and evergreen trees
- identify and describe the basic structure of a variety of common flowering plants, including trees

##### **ANIMALS INCLUDING HUMANS**

- identify and name a variety of common animals including, fish, amphibians, reptiles, birds and mammals
- identify and name a variety of common animals that are carnivores, herbivores and omnivores
- describe and compare the structure of a variety of common animals (fish, amphibians, reptiles, birds and mammals including pets)
- identify, name, draw and label the basic parts of the human body and say which part of the body is associated with each senses

##### **EVERYDAY MATERIALS**

- distinguish between an object and the material from which it is made
- identify and name a variety of everyday materials, including wood, plastic, glass, metal, water, and rock
- describe the simple physical properties of a variety of everyday materials
- compare and group together a variety of everyday materials on the basis of their simple physical properties

##### **SEASONAL CHANGES**

- observe changes across the 4 seasons

- observe and describe weather associated with the seasons and how day length varies

## History

Marvellous Me!	Let's Celebrate!	Traditional Tales	People Who Help Us	Mini Beasts
<ul style="list-style-type: none"> <li>• Exploring past family members through photographs.</li> <li>• Talking to older generations 'living history'</li> <li>• Talking about significant members of history linked in to celebrations across the year or Key Events. e.g. Guy Fawkes.</li> </ul>	<ul style="list-style-type: none"> <li>• Exploring festivals from history.</li> <li>• Exploring timeline of festivals through the year.</li> <li>• Looking at traditions and how these change over time.</li> </ul>	<ul style="list-style-type: none"> <li>• Exploring stories from the past and how they are different/similar to today.</li> <li>• Looking at characters in stories and how they are the same/different to today.</li> </ul>	<ul style="list-style-type: none"> <li>• Exploring at how roles have changed over time.</li> <li>• Discussing events in living memory involving people who help us.</li> </ul>	-

### Year 1 National Curriculum Expectations (During years 1 and 2, pupils should be taught to use the following)

- changes within living memory. Where appropriate, these should be used to reveal aspects of change in national life
- events beyond living memory that are significant nationally or globally
- the lives of significant individuals in the past who have contributed to national and international achievements. Some should be used to compare aspects of life in different periods
- significant historical events, people and places in their own locality.

## Geography

Marvellous Me!	Let's Celebrate!	Traditional Tales	People Who Help Us	Mini Beasts
<ul style="list-style-type: none"> <li>• Exploring where they live in relation to the local area.</li> <li>• Looking at places we have visited with our families and knowing that places in the world don't all look the same.</li> </ul>	<ul style="list-style-type: none"> <li>• Knowing the name of the countries (or religions) that celebrate different festivals – Thanks Giving (America), Chinese New Year (China) etc</li> <li>• Looking at where the countries who celebrate different festivals are in relation to us on a map.</li> </ul>	<ul style="list-style-type: none"> <li>• Looking at settings of Traditional Tales and what these places look like.</li> <li>• Understanding where in the World different tales originate from.</li> <li>• Looking at features of settings and naming them e.g. rivers, mountains, caves, woods etc.</li> </ul>	<ul style="list-style-type: none"> <li>• Exploring people who help us in our local community.</li> <li>• Visits to places in the local community where people who help us work and having visitors</li> </ul>	<ul style="list-style-type: none"> <li>• Looking at locations where minibeasts can be found.</li> <li>• Exploring how to care for minibeasts and preserve habitats.</li> <li>• Observing changes in the environment around us.</li> </ul>

### **Year 1 National Curriculum Expectations**

Pupils should develop knowledge about the world, the United Kingdom and their locality. They should understand basic subject-specific vocabulary relating to human and physical geography and begin to use geographical skills, including first-hand observation, to enhance their locational awareness. Pupils should be taught to:

#### **Locational knowledge**

- name and locate the world's seven continents and five oceans
- name, locate and identify characteristics of the four countries and capital cities of the United Kingdom and its surrounding seas

#### **Place knowledge**

- understand geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom, and of a small area in a contrasting non-European country

#### **Human and physical geography**

- identify seasonal and daily weather patterns in the United Kingdom and the location of hot and cold areas of the world in relation to the Equator and the North and South Poles

#### **use basic geographical vocabulary to refer to:**

- key physical features, including: beach, cliff, coast, forest, hill, mountain, sea, ocean, river, soil, valley, vegetation, season and weather
- key human features, including: city, town, village, factory, farm, house, office, port, harbour and shop

### **Art & Design**

<b>All About ME</b>	<b>Let's Celebrate!</b>	<b>Traditional Tales</b>	<b>People Who Help Us</b>	<b>Mini Beasts</b>
<ul style="list-style-type: none"><li>• Paint a picture of our family members.</li><li>• Illustrate what faces look like when they show certain feelings.</li><li>• Create Playdoh sculptures of our families.</li></ul>	<ul style="list-style-type: none"><li>• Create Rangoli patterns with loose parts to link to the Religious festival Diwali.</li><li>• Create fireworks patterns to link to Diwali and Bonfire Night.</li><li>• Create poppies using transient art (loose creative materials that can be put together to make a picture or piece of art)</li><li>• Potato printing poppies.</li><li>• Turkey Handprint art for Thanksgiving.</li><li>• Advent wreath chalk art.</li></ul>	<ul style="list-style-type: none"><li>• Create own puppets linked to Traditional Tales.</li><li>• Create a newspaper cutting wolf collage.</li><li>• Fork printing Three Bears.</li><li>• Make the Three Little Pigs Houses using real material collages.</li><li>• Design your own gingerbread man.</li><li>• Cut and stick Troll face - cut out all the features and stick together.</li></ul>	<ul style="list-style-type: none"><li>• Make a giant role play fire engine - paint it and fix it together.</li><li>• Design patterns/colours on emergency vehicles.</li><li>• Large scale paintings of visitors/people who help us labelling all their equipment etc.</li></ul>	<ul style="list-style-type: none"><li>• Create symmetrical printed butterflies.</li><li>• Use transient art materials to create different insects.</li><li>• Use sponges/fruit/veg to print different minibeasts.</li><li>• Create minibeasts on rocks for the garden areas.</li><li>• Tadpoles in a pond paintings.</li><li>• Create playdoh snails.</li></ul>

	<ul style="list-style-type: none"> <li>Threading a love heart plate with wool for Valentines.</li> </ul>			
--	--	--	--	--

### Year 1 National Curriculum Expectations

- to use a range of materials creatively to design and make products
- to use drawing, painting and sculpture to develop and share their ideas, experiences and imagination
- to develop a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space
- about the work of a range of artists, craft makers and designers, describing the differences and similarities between different practices and disciplines, and making links to their own work.

## Music

Marvellous Me!	Let's Celebrate!	Traditional Tales	People Who Help Us	Mini Beasts
<ul style="list-style-type: none"> <li>Sing songs about families.</li> <li>Sing songs about the parts of the body e.g. head shoulders knees and toes.</li> <li>Learn how to use our ears for careful listening to a rhythm or beat.</li> </ul>	<ul style="list-style-type: none"> <li>Learn Away in a Manger off by heart with Makaton signs.</li> <li>Use instruments to re-create firework noises.</li> <li>Look at Chinese Lion dances and create dance moves that match the beat and tune of traditional Chinese music.</li> </ul>	<ul style="list-style-type: none"> <li>Learn the 'Them Bears' song linked to the Goldilocks and the Three Bears.</li> <li>Join in with familiar chants in Traditional Tales e.g "Run, run as fast as you can..."</li> </ul>	<ul style="list-style-type: none"> <li>Sing songs like London's Burning joining in with words and actions.</li> </ul>	<ul style="list-style-type: none"> <li>Use instruments to express the different sounds that minibeasts make.</li> <li>Sing songs about minibeasts like incy wincy spider.</li> <li>Listen to pieces of music like 'Flight of the Bumblebee' and encourage children to move in different ways to represent the insect.</li> </ul>

### Year 1 National Curriculum Expectations

- use their voices expressively and creatively by singing songs and speaking chants and rhymes
- play tuned and untuned instruments musically
- listen with concentration and understanding to a range of high-quality live and recorded music
- experiment with, create, select and combine sounds using the inter-related dimensions of music.

## Design & Technology

Marvellous Me!	Let's Celebrate!	Traditional Tales	People Who Help Us	Mini Beasts
<ul style="list-style-type: none"> <li>Using junk modelling to build our homes or the</li> </ul>	<ul style="list-style-type: none"> <li>Using small world or construction to build festivals/celebrations.</li> </ul>	<ul style="list-style-type: none"> <li>Using building blocks, construction or small world to retell stories.</li> </ul>	<ul style="list-style-type: none"> <li>Build models of vehicles for people who help us</li> </ul>	<ul style="list-style-type: none"> <li>Use junk modelling to create replicas of mini beasts</li> </ul>

homes of others from around the world. <ul style="list-style-type: none"> <li>Using modelling clay/play dough, junk modelling to sculpt themselves</li> <li>Using small world play and loose parts to build towns/families/communities</li> </ul>	<ul style="list-style-type: none"> <li>Using junk modelling to create celebrations or festival items (fireworks, Christmas trees etc)</li> <li>Build settings to re-enact festivals with small world objects.</li> </ul>	<ul style="list-style-type: none"> <li>Using small parts to build characters and items from tales.</li> <li>Create a junk modelling bed for Goldilocks.</li> </ul>	<ul style="list-style-type: none"> <li>Use junk modelling or construction to build walkie talkies, stethoscopes etc..</li> </ul>	<ul style="list-style-type: none"> <li>Use construction or junk modelling to build micro habitats for mini beasts</li> </ul>
---	--	--	--	--

#### Year 1 National Curriculum Expectations

##### Design

- design purposeful, functional, appealing products for themselves and others
- generate, develop, model and communicate their ideas through talking, drawing

##### Make

- select from and use a range of tools and equipment to perform practical tasks
- select from and use a wide range of materials and components,

##### Evaluate

- build structures, exploring how they can be made stronger, stiffer and more stable
- explore and use mechanisms [for example, levers, sliders, wheels and axles], in their products.

### Physical Education

Marvellous Me!	Let's Celebrate!	Traditional Tales	People Who Help Us	Mini Beasts
<ul style="list-style-type: none"> <li>Learning about our body and its capabilities.</li> <li>Spatial awareness</li> <li>Discussions around healthy eating</li> <li>Discussions around healthy life choices/exercise</li> </ul>	<ul style="list-style-type: none"> <li>Moving to music from different cultures, festivals and celebrations.</li> <li>Use tweezers to put objects onto the snowman (fine motor)</li> <li>Use a small hammer to tap golf tees into pumpkins and create patterns.</li> </ul>	<ul style="list-style-type: none"> <li>Exploring areas using gross motor based on traditional tales.</li> <li>Building large scale traditional tale inspired trails.</li> <li>Large scale loose parts building - carrying and moving.</li> </ul>	<ul style="list-style-type: none"> <li>Learning about how to keep healthy</li> <li>Learning about what to do if you need help from someone.</li> <li>Learning what people can do to stay healthy.</li> </ul>	<ul style="list-style-type: none"> <li>Moving like a minibeast – crawling, slithering, climbing</li> <li>Dancing to music that mimics minibeasts.</li> </ul>

#### Year 1 National Curriculum Expectations

- master basic movements including running, jumping, throwing and catching, as well as developing balance, agility and co-ordination, and begin to apply these in a range of activities
- participate in team games, developing simple tactics for attacking and defending

- perform dances using simple movement patterns.

## Computing

Marvellous Me!	Let's Celebrate!	Traditional Tales	People Who Help Us	Mini Beasts
<ul style="list-style-type: none"> <li>• Photos/digital cameras of themselves and each other.</li> <li>• Drawing pictures of me on a tablet.</li> <li>• Programming a Beebot to move around a map of familiar places.</li> </ul>	<ul style="list-style-type: none"> <li>• Watching clips/movies of celebrations.</li> <li>• Using the tablets to take photos of celebrations that the children have taken part in.</li> </ul>	<ul style="list-style-type: none"> <li>• Watching clips/movies of Traditional Tales</li> <li>• Recording voices retelling stories</li> <li>• Using digital cameras to record re-enacting of stories.</li> </ul>	<ul style="list-style-type: none"> <li>• Using walkie talkies to communicate and looking at who might use these in their job roles.</li> <li>• Understanding the use of mobile devices and how to be safe on them.</li> <li>• Using different devices and navigating our way round simple age appropriate apps.</li> </ul>	<ul style="list-style-type: none"> <li>• Digital cameras to photograph and record</li> <li>• Watching clips/movies of minibeasts in the wild</li> </ul>

### Year 1 National Curriculum Expectations

- Use technology purposefully to create, organise, store, manipulate and retrieve digital content
- Use technology safely and respectfully, keeping personal information private, identify where to go for help and support when they have concerns about content or contact on the internet or other online technologies.

## Religious Education

Marvellous Me!	Let's Celebrate!	Traditional Tales	People Who Help Us	Mini Beasts
<ul style="list-style-type: none"> <li>• Visits to church</li> <li>• Talking about their and their family beliefs</li> <li>• Collective worships.</li> <li>• Learning about how Christians have a sense of belonging and where they belong.</li> </ul>	<ul style="list-style-type: none"> <li>• Exploring different religious celebrations – weddings, baptisms etc</li> <li>• Exploring different religious festivals – Diwali, Christmas, Easter etc.</li> </ul>	<ul style="list-style-type: none"> <li>• Looking at the morals/meanings behind traditional tales e.g following rules, good vs bad etc.</li> </ul>	<ul style="list-style-type: none"> <li>• Visits from religious leaders - Vicar from local church.</li> </ul>	<ul style="list-style-type: none"> <li>• Discussion around life and death and how valued creatures should be.</li> </ul>

### Year 1 National Curriculum Expectations

- identify the core beliefs and concepts studied and give a simple description of what they mean
- give examples of how stories show what people believe (e.g. the meaning behind a festival)
- give clear, simple accounts of what stories and other texts mean to believers
- give examples of how people use stories, texts and teachings to guide their beliefs and actions
- give examples of ways in which believers put their beliefs into action

- think, talk and ask questions about whether the ideas they have been studying have something to say to them
- give a good reason for the views they have and the connections they make

### Relationship and Sex Education (incorporating PSHE)

<b>Marvellous Me!</b> <ul style="list-style-type: none"> <li>• Discussion around body parts.</li> <li>• Discussion around appropriate interactions at school.</li> <li>• Discussion around families and roles in families.</li> </ul>	<b>Let's Celebrate!</b> <ul style="list-style-type: none"> <li>• Exploring celebrations and emotions linked to the celebrations.</li> </ul>	<b>Traditional Tales</b> <ul style="list-style-type: none"> <li>• Learn why sharing is important.</li> <li>• Develop good manners through listening.</li> <li>• Understand what good friendship looks like and how to be a good friend.</li> <li>• Learn how to be independent.</li> </ul>	<b>People Who Help Us</b> <ul style="list-style-type: none"> <li>• Exploring who could help us when feeling different emotions.</li> <li>• Understanding who Trusted Adults are and what this means.</li> <li>• How parents/carers can look after us and what we can do to help out.</li> </ul>	<b>Mini Beasts</b> <ul style="list-style-type: none"> <li>• Taking care of living things – wild animals/pets.</li> </ul>
---	---	--	---	--

#### Year 1 National Curriculum Expectations

- be able to recognise names for the main external parts of the body.
- be able to name the sexual parts using colloquial and occasionally scientific words.
- be able to describe what their bodies can do and understand how amazing their body is.
- show some understanding that their body belongs to them.
- be able to describe some basic personal hygiene routines and understand how these can prevent the spread of disease.

## SCIENCE

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
1	Humans Seasonal Change (Autumn)	Seasonal Change (winter)	Animals	Every Day Materials Seasonal Change (Spring)	Plants Seasonal Change (Summer)	
2	Animals including Humans – Growth & Survival		Materials	Plants	Living Things and their Habitats	
3	Rocks	Light	Forces & Magnets		Plants	

4	Living things & Their Habitats	Animals including Humans (Y3 & Y4 units)	Electricity	Sound	Animals including Humans (Y3 & Y4 units)	
5	Living Things & Their Habitats	States of Matter (y4 unit)	Earth & Space	Properties & Changes of Materials	Forces	Animals including Humans
6	Light	Living Things & Their Habitats	Evolution & Inheritance	Animals including Humans	Electricity	RSE

### Year 1

#### Key Skills (Working Scientifically - Year 1/2)

- asking simple questions and recognising that they can be answered in different ways
- observing closely, using simple equipment
- performing simple tests
- identifying and classifying
- using their observations and ideas to suggest answers to questions
- gathering and recording data to help in answering questions.

Year	Topic	Christian Distinctiveness	National Curriculum Content	Key Knowledge and Vocabulary
Year 1	Plants (Plant Power!)	Spirituality	<ul style="list-style-type: none"> <li>identify and name a variety of common wild and garden plants, including deciduous and evergreen trees</li> <li>identify and describe the basic structure of a variety of common flowering plants, including trees</li> </ul>	<p><b>Leaf, flower, blossom, petal, fruit, berry, root, seed, trunk, branch, stem, bark, stalk, bud</b></p> <p><b>Names of trees in the local area</b></p> <p><b>Names of garden and wild flowering plants in the local area</b></p> <p>Make close observations of leaves, seeds, flowers etc.</p> <p>Classify leaves, seeds, flowers etc. using a range of characteristics</p> <p>Identify plants by matching them to named images</p> <p>Make observations of how plants change over a period of time</p> <p><b>End Points:</b></p> <ul style="list-style-type: none"> <li>Understand that there is vast array of plants which all have specific names and that these can be identified by looking at the key characteristics of the plant. Be able to name some common plants and trees.</li> <li>Understand that plants have common parts and be able to name some.</li> <li>Know that some trees keep their leaves all year while other trees drop their leaves during autumn and grow them again during spring.</li> </ul>

Year 1	<b>Animals</b> <b>(Amazing Animals)</b>	<b>Spirituality</b>	<ul style="list-style-type: none"> <li>identify and name a variety of common animals including fish, amphibians, reptiles, birds and mammals</li> <li>identify and name a variety of common animals that are carnivores, herbivores and omnivores</li> <li>describe and compare the structure of a variety of common animals (fish, amphibians, reptiles, birds and mammals, including pets)</li> </ul>	<b>Head, body, eyes, ears, mouth, teeth, leg, tail, wing, claw, fin, scales, feathers, fur, beak, paws, hooves</b> <b>Names of animals experienced first-hand from each vertebrate group</b> Make first hand close observations of animals from each of the groups Compare two animals from the same or different group Classify animals using a range of features Identify animals by matching them to named images Classify animals according to what they eat <b>End Points:</b> <ul style="list-style-type: none"> <li>Understand that animals vary in many ways and have different features. Can name some animals that belong to each group.</li> <li>Understand animals eat certain things and are carnivores, herbivores or omnivores.</li> <li>Know that humans and insects are not animals</li> </ul>
Year 1	<b>Humans</b> <b>(All about me)</b>	<b>Spirituality</b>  <b>Well Being &amp; Flourish</b>	<ul style="list-style-type: none"> <li>identify, name, draw and label the basic parts of the human body and say which part of the body is associated with each sense</li> </ul>	<b>Senses, touch, see, smell, taste, hear, fingers, skin, eyes, nose, ear and tongue</b> Make first hand close observations of parts of the body e.g. hands, eyes Compare two people Take measurements of parts of their body Look for patterns between people e.g. Do people with big hands have big feet? Classify people according to their features Investigate human senses <b>End Points:</b> <ul style="list-style-type: none"> <li>know that humans and insects are animals</li> <li>Know that humans have 5 senses and can name them and the parts of the body linked to each sense.</li> </ul>
Year 1	<b>Everyday Materials</b> <b>(Marvellous Materials!)</b>	<b>Spirituality</b>	<ul style="list-style-type: none"> <li>distinguish between an object and the material from which it is made</li> <li>identify and name a variety of everyday materials, including wood, plastic, glass, metal, water, and rock</li> <li>describe the simple physical properties of a variety of everyday materials</li> <li>compare and group together a variety of everyday materials on the basis of their simple physical properties</li> </ul>	<b>Object, material, wood, plastic, glass, metal, water, rock, brick, paper, fabric, elastic, foil, card/cardboard, rubber, wool, clay, hard, soft, stretchy, stiff, bendy, floppy, waterproof, absorbent, breaks/tears, rough, smooth, shiny, dull, see through, not see through</b> Classify objects made of one material in different ways e.g. a group of object made of metal Classify in different ways one type of object made from a range of materials e.g. a collection of spoons made of different materials Classify materials based on their properties Test the properties of objects

				<b>End Points:</b> <ul style="list-style-type: none"> <li>Understand the term material is what an object is made from.</li> <li>Know that all objects are made of one or more material.</li> <li>Can describe different materials by their properties e.g. shiny, stretchy, rough etc.</li> </ul>
Year 1	Seasonal Change	Spirituality  Justice & Responsibility	<ul style="list-style-type: none"> <li>observe changes across the four seasons</li> <li>observe and describe weather associated with the seasons and how day length varies</li> </ul>	<b>Weather (sunny, rainy, windy, snowy etc.), seasons (Winter, Summer, Spring, Autumn), sun, sunrise, sunset, day length</b> Collect information about the weather regularly throughout the year Present this information in table and charts to compare the weather across the seasons Collect information, regularly throughout the year, of features that change with the seasons Gather data about day length regularly throughout the year and present this to compare the seasons <b>End Points:</b> <ul style="list-style-type: none"> <li>Can name the four seasons and knows the weather changes in the seasons (e.g. colder and rainier in the winter and hotter and drier in the summer).</li> <li>Knows that a day is longer in the summer and shorter in the winter.</li> </ul>
<b>Year 2</b>				
Year 2	Animals including Humans (Growth and Survival)	Spirituality	<ul style="list-style-type: none"> <li>Notice that animals, including humans, have offspring which grow into adults</li> <li>Find out about and describe the basic needs of animals, including humans, for survival (water, food and air)</li> <li>Describe the importance for humans of exercise, eating the right amounts of different types of food, and hygiene.</li> </ul>	<b>Offspring, reproduction, growth, child, young/old stages (examples - chick/hen ) exercise, heartbeat, breathing, hygiene, germs, disease, food types</b> Animals including humans have offspring which grow into adults. In humans and some animals these offspring will be young, such as babies or kittens, that grow into adults. In other animals, such as chickens or insects, there may be eggs laid that hatch to young or other stages which then grow to adults. The young of some animals do not look like their parents e.g. tadpoles. All animals including humans have basic needs of feeding, drinking and breathing that must be satisfied in order to survive, and to grow into healthy adults they also need the right amounts and types of food and exercise. Good hygiene is also important in preventing infections and illnesses. <b>End Points:</b> <ul style="list-style-type: none"> <li>Know that animals, including humans, have offspring which grow into adults and that young of some animals do not look like their parents (e.g. tadpoles).</li> </ul>

				<ul style="list-style-type: none"> <li>Understand that all animals, including humans, have basic needs in order to survive and be able to name them.</li> <li>Know exercise, good hygiene and food from different food groups are needed to be healthy and name some examples for each group.</li> </ul>
Year 2	Plants	Spirituality	<ul style="list-style-type: none"> <li>Observe and describe how seeds and bulbs grow into mature plants</li> <li>Find out and describe how plants need water, light and a suitable temperature to grow and stay healthy.</li> <li>Identify and name a variety of <b>plants</b> and animals in their habitats, including micro-habitats</li> </ul>	<p><b>light, shade, sun, warm, cool, water, grow, healthy</b></p> <p>Plants may grow from either seeds or bulbs. These then germinate and grow into seedlings which then continue to grow into mature plants. Seeds and bulbs need to be planted outside at particular times of the year and they will germinate and grow at different rates. Plants also need different amounts of water and space to grow well and stay healthy.</p> <p><b>End Points:</b></p> <ul style="list-style-type: none"> <li>Understand that plants may grow from either seeds or bulbs and that seeds and bulbs need to be planted outside at particular times of year and they will germinate and grow at different rates.</li> <li>Understand that some plants are better suited to growing in full sun and some grow better in partial or full shade. Plants also need different amounts of water and space to grow well and stay healthy.</li> </ul>
Year 2	Uses of Everyday Materials		<ul style="list-style-type: none"> <li>Identify and compare the suitability of a variety of everyday materials, including wood, metal, plastic, glass, brick, rock, paper and cardboard for particular uses</li> <li>Find out how the shapes of solid objects made from some materials can be changed by squashing, bending, twisting and stretching.</li> </ul>	<p><b>Names of materials – increased range from year 1</b></p> <p><b>Properties of materials - as for year 1 plus opaque, transparent and translucent, reflective, non-reflective, flexible, rigid</b></p> <p><b>Shape, push/pushing, pull/pulling, twist/twisting, squash/squashing. Bend/bending, stretch/stretching</b></p> <p>All objects are made of one or more materials that are chosen specifically because they have suitable properties for the task.</p> <p>A material can be suitable for different purposes and an object can be made of different materials.</p> <p>Objects made of some materials can be changed in shape by bending, stretching, squashing and twisting.</p> <p>Classify materials</p> <p>Make suggestions about alternative materials for a purpose that are both suitable and unsuitable</p> <p>Test the properties of materials for particular</p> <p><b>End Points:</b></p> <ul style="list-style-type: none"> <li>Understand that objects are made from particular materials because of its properties and can give examples of an object and link the material it's made from and the object's use (eg. Plastic bottle – transparent so you can see the liquid inside it and waterproof).</li> </ul>

				<ul style="list-style-type: none"> <li>Understand that a material can be suitable for different purposes and an object can be made of different materials.</li> <li>Know that objects made of some materials can be changed in shape by bending, stretching, squashing and twisting.</li> </ul>
Year 2	<b>Living Things and their habitats</b>	<b>Spirituality</b>	<ul style="list-style-type: none"> <li>Explore and compare the differences between things that are living, dead and things that have never been alive.</li> <li>Identify that most living things live in habitats to which they are suited and describe how different habitats provide for the basic needs of different kinds of <b>animals and plants</b>, and how they depend on each other</li> <li>Identify and name a variety of plants and <b>animals</b> in their habitats, including micro-habitats</li> <li>Describe how animals obtain their food from plants and other animals, using the idea of a simple food chain, and identify and name different sources of food.</li> </ul>	<p><b>Living, dead, never been alive, suited, suitable, basic needs, food, food chain, shelter, move, feed, names of local habitats e.g. pond, woodland etc., names of micro-habitats e.g. under logs, in bushes etc.</b></p> <p>All objects are either living, dead or have never been alive  Animals and plants live in a habitat to which they are suited  The habitat provides the basic needs of the animals and plants  Within a habitat there are different micro-habitat that have different conditions  The plants and animals in a habitat depend on each other for food and shelter etc.  The way that animals obtain their food from plants and other animals can be shown in a food chain.</p> <p><b>End Points:</b></p> <ul style="list-style-type: none"> <li>Understands that all objects are either living, dead or have never been alive and can find or name examples of these.</li> <li>Understands that animals and plants live in habitats that they are suited to and that habitats provide the basic needs for the animal (eg. food, shelter, water). Also know that in habitats there are different microhabitats.</li> <li>Knows that a food chain shows how animals get their food and starts with a plant.</li> </ul>

### Year 3

#### Key Skills (Working Scientifically - Year 3/4)

- asking relevant questions and using different types of scientific enquiries to answer them
- setting up simple practical enquiries, comparative and fair tests
- making systematic and careful observations and, where appropriate, taking accurate measurements using standard units, using a range of equipment, including thermometers and data loggers
- gathering, recording, classifying and presenting data in a variety of ways to help in answering questions
- recording findings using simple scientific language, drawings, labelled diagrams, keys, bar charts, and tables
- reporting on findings from enquiries, including oral and written explanations, displays or presentations of results and conclusions
- using results to draw simple conclusions, make predictions for new values, suggest improvements and raise further questions
- identifying differences, similarities or changes related to simple scientific ideas and processes
- using straightforward scientific evidence to answer questions or to support their findings.

Year 3	Plants	Spirituality	<ul style="list-style-type: none"> <li>Identify and describe the functions of different parts of flowering plants: roots, stem/trunk, leaves and flowers</li> <li>Explore the requirements of plants for life and growth (air, light, water, nutrients from soil, and room to grow) and how they vary from plant to plant</li> <li>Investigate the way in which water is transported within plants</li> <li>Explore the part that flowers play in the life cycle of flowering plants, including pollination, seed formation and seed dispersal</li> </ul>	<p><b>Photosynthesis, pollen, insect/wind pollination, seed formation, seed dispersal – wind dispersal, animal dispersal, water dispersal</b></p> <p>Many plants have roots, stems/trunks, leaves and flowers/blossom. Pollen, which is produced by the male part of the flower, is transferred to the female part of other flowers (pollination). This forms seeds which are then dispersed in different ways. Different plants require different conditions for germination and growth</p> <p>Observe what happens to plants over time</p> <p>Investigate what happens to plants when they are put in different conditions</p> <p>Spot flowers, seeds, berries and fruits outside throughout the year</p> <p>Observe flowers carefully to identify the pollen</p> <p>Observe flowers being visited by pollinators</p> <p>Observe seeds being blown from the trees</p> <p>Research different types of seed dispersal</p> <p>Classify seeds in a range of ways</p> <p><b>End Points:</b></p> <ul style="list-style-type: none"> <li>Knows the main parts of a plant and the function of each part</li> <li>Understands that some plants produce flowers which enable the plant to reproduce.</li> <li>Knows that different plants require different conditions for germination and growth.</li> </ul>
Year 3	Rocks	Spirituality	<ul style="list-style-type: none"> <li>Compare and group together different kinds of rocks on the basis of their appearance and simple physical properties</li> <li>Describe in simple terms how fossils are formed when things that have lived are trapped within rock</li> <li>Recognise that soils are made from rocks and organic matter.</li> </ul>	<p><b>Rock, stone, pebble, boulder, grain, crystals, layers, hard, soft, texture, absorb water, soil, fossil, marble, chalk, granite, sandstone, slate, soil, peat, sandy/chalk/clay soil</b></p> <p>Rock is a naturally occurring material</p> <p>There are different types of rock which have different properties.</p> <p>Rocks can be different shapes</p> <p>Soils are made up of pieces of ground down rock which may be mixed with plant and animal material</p> <p>The type of rock, size of rock piece and the amount of organic matter affect the property of the soil.</p> <p>Some rocks contain fossils.</p> <p>Observe rocks closely and classify</p> <p>Research using secondary sources how fossils are formed</p> <p>Observe soils closely and classify</p> <p>Research the work of Mary Anning</p> <p><b>End Points:</b></p>

				<ul style="list-style-type: none"> <li>Understand that rock is a naturally occurring material and there are different types of rock which have different properties and have different sizes of grain or crystal.</li> <li>Know that fossils were formed millions of years ago and can explain how fossils are formed.</li> </ul>
Year 3	Light		<ul style="list-style-type: none"> <li>Recognise that they need light in order to see things and that dark is the absence of light</li> <li>Notice that light is reflected from surfaces</li> <li>Recognise that light from the sun can be dangerous and that there are ways to protect their eyes</li> <li>Recognise that shadows are formed when the light from a light source is blocked by an opaque object</li> <li>Find patterns in the way that the size of shadows change</li> </ul>	<p><b>Light, light source, dark, absence of light, transparent, translucent, opaque, shiny, matt, surface, shadow, reflect, mirror, sunlight, dangerous</b></p> <p>We see objects because our eyes can sense light. Dark is the absence of light.</p> <p>Some objects are sources of light.</p> <p>The light from the sun can damage our eyes and therefore we should not look directly at the sun</p> <p>Shadows are formed on a surface when an opaque or translucent object is between a light source and the surface and blocks some of the light. The size of the shadow depends on the position of the source, object and surface.</p> <p><b>End Points:</b></p> <ul style="list-style-type: none"> <li>Understand that we need light to see and that without any light at all we would not be able to see.</li> <li>To know that some objects are light sources (and be able to name some) but the moon is <b>not</b> a light source.</li> <li>To know that shadows are formed when an opaque or translucent object blocks some of the light and the size of the shadow depends on the position of the light source, object and surface.</li> </ul>
Year 3	Forces and magnets	Spirituality	<ul style="list-style-type: none"> <li>Compare how things move on different surfaces</li> <li>Notice that some forces need contact between two objects, but magnetic forces can act at a distance</li> <li>Observe how magnets attract or repel each other and attract some materials and not others</li> <li>Compare and group together a variety of everyday materials on the basis of whether they are attracted to a magnet, and identify some magnetic materials</li> <li>Describe magnets as having two poles</li> <li>Predict whether two magnets will attract or repel each other, depending on which poles are facing each other</li> </ul>	<p><b>Force, push, pull, twist, contact force, non-contact force, magnetic force, magnet, strength, bar magnet, ring magnet, button magnet, horseshoe magnet, attract, repel, magnetic material, metal, iron, steel, poles, north pole, south pole</b></p> <p>A force is a push or a pull. When an object moves on a surface, the texture of the surface and the object affect how it moves.</p> <p>The surface may help the object to move better or it may hinder its movement. A magnet attracts magnetic material.</p> <p>Iron and nickel and other materials containing these are magnetic. The strongest parts of a magnet are the poles.</p> <p>Magnets have two poles – a north pole and a south pole.</p> <p>For some forces to act there must be contact</p> <p>Some forces can act at a distance.</p>

				<p>Use classification keys to name unknown living things</p> <p>Classify living things found in different habitats based on their features</p> <p>Create a simple identification key based on observable features</p> <p>Use fieldwork to explore human impact on the local environment</p> <p>Use secondary sources to find out about how environments may naturally change and to find out about human impact, both positive and negative, on environments</p> <p><b>End Points:</b></p> <ul style="list-style-type: none"> <li>• Know that living things can be grouped (classified) in different ways according to their features and use classification keys.</li> <li>• Know that living things live in a habitat which provides an environment to which they are suited (Year 2 learning).</li> <li>• Understand that environments may change naturally (e.g. from flooding) and that humans can also cause the environment to change: sometimes for good (setting up nature reserves) but sometimes not good (littering).</li> <li>• Know that environments also change with the seasons and different living things can be found in a habitat at different times of the year.</li> </ul>
<p>Year 4</p> <p>(on plan document as Year 3)</p>	<p><b>Animals including humans</b></p>	<p><b>Spirituality</b></p>	<ul style="list-style-type: none"> <li>• Identify that animals, including humans, need the right types and amount of nutrition, and that they cannot make their own food; they get nutrition from what they eat</li> <li>• Identify that humans and some other animals have skeletons and muscles for support, protection and movement</li> </ul>	<p><b>Nutrition, nutrients, carbohydrates, sugars, protein, vitamins, minerals, fibre, fat, water, skeleton, bones, muscles, support, protect, move, skull, ribs, spine, muscles, joints</b></p> <p>Animals need to eat in order to get the nutrients they need. Food contains a range of different nutrients that are needed by the body to stay healthy</p> <p>Humans and some other animals have skeletons and muscles which help them move and provide protection and support.</p> <p>Classify food in a range of ways</p> <p>Use food labels to explore the nutritional content of a range of food items</p> <p>Use secondary sources to find out they types of food that contain the different nutrients</p> <p>Use food labels to answer enquiry</p> <p>Plan a daily diet contain a good balance of nutrients</p> <p>Explore the nutrients contained in fast food</p> <p>Use secondary sources to research the parts and functions of the skeleton</p> <p>Compare, contrast and classify skeletons of different animals</p>

Year 4	Electricity		<ul style="list-style-type: none"> <li>Identify common appliances that run on electricity</li> <li>Construct a simple series electrical circuit, identifying and naming its basic parts, including cells, wires, bulbs, switches and buzzers</li> <li>Identify whether or not a lamp will light in a simple series circuit, based on whether or not the lamp is part of a complete loop with a battery</li> <li>Recognise that a switch opens and closes a circuit and associate this with whether or not a lamp lights in a simple series circuit</li> <li>Recognise some common conductors and insulators, and associate metals with being good conductors</li> </ul>	<p><b>Electricity, electrical appliance/device, mains, plug, electrical circuit, complete circuit, component, cell, battery, positive, negative, connect/connections, loose connection, short circuit, crocodile clip, bulb, switch, buzzer, motor, conductor, insulator, metal, non-metal, symbol</b></p> <p>Many household devices and appliances run on electricity.</p> <p>An electrical circuit consists of a cell or battery connected to a component using wires. If there is a break in the circuit, a loose connection or a short circuit the component will not work.</p> <p>A switch can be added to the circuit to turn the component on and off.</p> <p>Metals are good conductors so they can be used as wires in a circuit.</p> <p>Non-metallic solids are insulators except for graphite (pencil lead).</p> <p>Water, if not completely pure, also conducts electricity</p> <p>Construct a range of circuits</p> <p>Explore how to connect a range of different switches and investigate how they function in different ways</p> <p>Apply their knowledge of conductors and insulators to design and make different types of switch</p> <p>Make circuits that can be controlled as part of a D&amp;T project</p> <p><b>End Points:</b></p> <ul style="list-style-type: none"> <li>Knows that an electrical circuit consists of a cell or battery connected to a component using wires and if there is a break in the circuit it will not work.</li> <li>Can make and name the components in a circuit</li> </ul> <p>Knows the difference between conductors and insulators and give examples of each.</p>
Year 4	Sound	Spirituality	<ul style="list-style-type: none"> <li>Identify how sounds are made, associating some of them with something vibrating</li> <li>Recognise that vibrations from sounds travel through a medium to the ear</li> <li>Find patterns between the pitch of a sound and features of the object that produced it</li> <li>Find patterns between the volume of a sound and the strength of the vibrations</li> <li>Recognise that sounds get fainter as the distance from the sound source increases</li> </ul>	<p><b>Sound, source, vibrate, vibration, travel, pitch (high, low), volume, faint, loud, insulation</b></p> <p>A sound source produces vibrations which travel through a medium from the source to our ears.</p> <p>Different mediums can carry sound but sound cannot travel through a vacuum</p> <p>The vibrations cause parts of our body inside our ears to vibrate, allowing us to hear (sense) the sound.</p> <p>The loudness (volume) of the sound depends on the strength (size) of vibrations Pitch is the highness or lowness of a sound and is affected by features of objects producing the sounds.</p>

				<p>Classify sound sources</p> <p>Explore making sounds with a range of objects</p> <p>Explore using objects that change in feature to change pitch and volume</p> <p>Measure sounds over different distances</p> <p>Measure sounds through different insulation materials</p> <p><b>End Points:</b></p> <ul style="list-style-type: none"> <li>• Knows that sound produces vibrations which travel through a medium from the source to our ears.</li> <li>• Knows that different mediums such as solids, liquids and gases can carry sound, but sound cannot travel through a vacuum (an area empty of matter).</li> <li>• Knows that the loudness (volume) of the sound depends on the strength (size) of vibrations which decreases as they travel through the medium. Therefore, sounds decrease in volume as you move away from the source.</li> <li>• Knows that Pitch is the highness or lowness of a sound and is affected by features of objects producing the sounds. For example, smaller objects usually produce higher pitched sounds.</li> </ul>
--	--	--	--	---

#### Year 5

#### Key Skills (Working Scientifically - Year 5/6)

- planning different types of scientific enquiries to answer questions
- taking measurements, using a range of scientific equipment, with increasing accuracy and precision, taking repeat readings when appropriate
- recording data and results of increasing complexity using scientific diagrams and graphs
- using test results to make predictions to set up further comparative and fair tests
- reporting and presenting findings from enquiries, including conclusions, causal relationships
- identifying scientific evidence that has been used to support or refute ideas or arguments.

Year 5	<b>Forces</b>	<b>Spirituality</b>	<ul style="list-style-type: none"> <li>• Explain that unsupported objects fall towards the Earth because of the force of gravity acting between the Earth and the falling object</li> <li>• Identify the effects of air resistance, water resistance and friction, that act between moving surfaces</li> <li>• Recognise that some mechanisms, including levers, pulleys and gears, allow a smaller force to have a greater effect</li> </ul>	<p><b>Force, gravity, Earth, air resistance, water resistance, friction, mechanisms, simple machines, levers, pulleys, gears</b></p> <p>A force causes an object to start moving, stop moving, speed up, slow down or change direction.</p> <p>Gravity is a force that acts at a distance.</p> <p>Air resistance, water resistance and friction are contact forces that act between moving surfaces.</p> <p>A mechanism is a device that allows a small force to be increased to a larger force. Pulleys, levers and gears are all mechanisms, also known as simple machines.</p> <p>Investigate the effect of friction, water resistance and air resistance in a range of contexts</p>
--------	---------------	---------------------	---	---

				<p>Explore how levers, pulleys and gears work</p> <p>Research how the work of scientists such as Galileo Galilei and Isaac Newton helped to develop the theory of gravitation</p> <p><b>End Points:</b></p> <ul style="list-style-type: none"> <li>• Know that a force causes an object to start moving, stop moving, speed up, slow down or change direction: Know about gravity and its impact on our lives</li> <li>• Know that air resistance, water resistance and friction are contact forces that act between moving surfaces and know the effect of these forces.</li> <li>• Know that a mechanism is a device that allows a small force to be increased to a larger force and that Pulleys, levers and gears are all mechanisms, also known as simple machines.</li> </ul>
<p>Year 5</p> <p>(on Plan document as Year 4 but we teach in Year 5)</p>	States of matter	Spirituality	<ul style="list-style-type: none"> <li>• Compare and group materials together, according to whether they are solids, liquids or gases</li> <li>• Observe that some materials change state when they are heated or cooled, and measure or research the temperature at which this happens in degrees Celsius (°C)</li> <li>• Identify the part played by evaporation and condensation in the water cycle and associate the rate of evaporation with temperature</li> </ul>	<p><b>Solid, liquid, gas, state change, melting, freezing, melting point, boiling point, evaporation, temperature, water cycle</b></p> <p>A solid keeps its shape and has a fixed volume.</p> <p>A liquid has a fixed volume but changes in shape to fit the container.</p> <p>A gas fills all available space; it has no fixed shape or volume.</p> <p>Melting is a state change from solid to liquid.</p> <p>Freezing is a state change from liquid to solid.</p> <p>Boiling is a change of state from liquid to gas</p> <p>Evaporation is the same state change as boiling</p> <p>Condensation is the change back from a gas to a liquid caused by cooling.</p> <p>Understanding precipitation and the water cycle</p> <p>Observe closely and classify a range of solids and liquids</p> <p>Explore making gases visible and showing their effect</p> <p>Classify materials according to whether they are solids, liquids and gases</p> <p>Observe a range of materials melting</p> <p>Investigating melting point of different substances</p> <p>Explore freezing different liquids</p> <p>Use a thermometer to measure temperatures</p> <p>Observe water evaporating</p> <p>Set up investigations to explore changing the rate of evaporation</p> <p>Use secondary sources to find out about the water cycle</p> <p><b>End Points:</b></p> <ul style="list-style-type: none"> <li>• Understands and can name the properties of solids, liquids and gases.</li> </ul>

				<ul style="list-style-type: none"> <li>Knows about how materials change state and know the temperature at which materials change state (boiling at 100°C and freezing at 0°C)</li> <li>Know about the water cycle and can explain evaporation and condensation (evaporation is the same state change as boiling, but slower and condensation is the change back from a gas to a liquid caused by cooling).</li> </ul>
Year 5	Properties and changes of materials		<ul style="list-style-type: none"> <li>Compare and group together everyday materials on the basis of their properties</li> <li>Know that some materials will dissolve in liquid to form a solution, and describe how to recover a substance from a solution</li> <li>Use knowledge of solids, liquids and gases to decide how mixtures might be separated</li> <li>Give reasons, based on evidence, for the particular uses of everyday materials, including metals, wood and plastic</li> <li>Demonstrate that dissolving, mixing and changes of state are reversible changes</li> <li>Explain that some changes result in the formation of new materials, and that this kind of change is not usually reversible</li> </ul>	<p><b>Thermal/electrical insulator/conductor, change of state, mixture, dissolve, solution, soluble, insoluble, filter, sieve reversible/non-reversible change, burning, rusting, new material</b></p> <p>Materials have different uses depending on their properties and state. Properties include hardness, transparency, electrical and thermal conductivity and attraction to magnets.</p> <p>Some materials will dissolve in a liquid and form a solution while others are insoluble and form sediment.</p> <p>Mixtures can be separated by filtering, sieving and evaporation.</p> <p>Some changes to materials are reversible and other are non-reversible. Investigate the properties of different materials in order to recommend materials for particular use.</p> <p>Explore adding a range of solids to water and other liquids.</p> <p>Investigate rates of dissolving by carrying out comparative and fair test.</p> <p>Separate mixtures by sieving, filtering and evaporation.</p> <p>Explore a range of non-reversible changes.</p> <p>Carry out comparative and fair tests involving non-reversible changes.</p> <p><b>End Points:</b></p> <ul style="list-style-type: none"> <li>Understands the properties of materials and use this to explain everyday uses of materials and can group them.</li> <li>Knows and can explain what dissolving means, and give examples of materials that dissolve.</li> <li>Uses their knowledge of liquids, gases and solids to suggest how materials can be recovered from solutions or mixtures (by evaporation, filtering or sieving) and can name equipment used for this.</li> <li>Understands and can describe some simple reversible and non-reversible changes to materials and give examples.</li> </ul>
Year 5	Earth and space	Spirituality	<ul style="list-style-type: none"> <li>Describe the movement of the Earth, and other planets, relative to the Sun in the solar system</li> <li>Describe the movement of the Moon relative to the Earth</li> </ul>	<p><b>Earth, Sun, Moon, (Mercury, Jupiter, Saturn, Venus, Mars, Uranus, Neptune) spherical, solar system, rotates, star, orbit, planets</b></p> <p>The Sun is a star. It is at the centre of our solar system. There are 8 planets.</p>

			<ul style="list-style-type: none"> <li>Describe the Sun, Earth and Moon as approximately spherical bodies</li> <li>Use the idea of the Earth's rotation to explain day and night and the apparent movement of the sun across the sky</li> </ul>	<p>These travel around the Sun in fixed orbits. Earth takes 365½ days to complete its orbit around the Sun.</p> <p>The Earth rotates on its axis every 24 hours. As Earth rotates half faces the Sun (here it is day) and half is facing away from the Sun (night).</p> <p>As the Earth rotates the Sun appears to move across the sky. The Moon orbits the Earth. It takes about 28 days to complete its orbit. The Sun, Earth and Moon are approximately spherical.</p> <p>Use secondary sources to help create a model</p> <p>Make first-hand observations of how shadows caused by the Sun change through the day (in summertime)</p> <p>Make a sundial (in summertime)</p> <p>Research time zones</p> <p>Consider the views of scientists in the past and evidence used to deduce shapes and movements of the Earth, Moon and planets before space travel</p> <p><b>End Points:</b></p> <ul style="list-style-type: none"> <li>Know that the Sun is a star at the centre of our solar system and that there are 8 planets that travel around the Sun in fixed orbits.</li> <li>Can explain the movement of the Earth and how this produces day and night and knows the time it takes for the earth to orbit the sun</li> <li>Know about and can explain the movement of the moon relative to the Earth and describes each using the term spherical.</li> </ul>
Year 5	Living things and their habitats	Spirituality	<ul style="list-style-type: none"> <li>Describe the differences in the life cycles of a mammal, an amphibian, an insect and a bird</li> <li>Describe the life process of reproduction in some plants and animals</li> </ul>	<p><b>Life cycle, reproduce, sexual, sperm, fertilises, egg, live young, metamorphosis, asexual, plantlets, runners, bulbs, cuttings</b></p> <p>As part of their life cycle plants and animals reproduce.</p> <p>Most animals reproduce sexually.</p> <p>Some young undergo a further change before becoming adults This is called a metamorphosis.</p> <p>Plants reproduce both sexually and asexually. Bulbs, tubers, runners and plantlets are examples of asexual plant reproduction which involves only one parent.</p> <p>Sexual reproduction occurs through pollination, usually involving wind or insects.</p> <p>Use secondary sources and, where possible, first hand observations to find out about the life cycle of a range of animals</p> <p>Compare the gestation times for mammals and look for patterns</p>

				<p>Look for patterns between the size of an animal and its expected life span</p> <p>Grow and observe plants that reproduce asexually</p> <p>Take cuttings from a range of plants</p> <p>Plant bulbs and then harvest to see how they multiply</p> <p>Use secondary sources to find out about pollination</p> <p><b>End Points:</b></p> <ul style="list-style-type: none"> <li>Understands and can explain the life cycle of a range of animals and be able to identify similarities and differences between the life cycles.</li> <li>Knows and can name the key parts of a plant/flower and the roles they play</li> <li>Understands and can explain the difference between sexual and asexual reproduction and give examples of how plants reproduce in both ways.</li> </ul>
Year 5	Animals including humans	<p><b>Spirituality</b></p> <p><b>Justice &amp; Responsibility</b></p>	<ul style="list-style-type: none"> <li>Describe the changes as humans develop to old age</li> </ul> <p>(This builds on the learning in living things and their habitats)</p> <p><i>Taught alongside PSHE/SRE</i></p>	<p><b>Puberty: the vocabulary to describe sexual characteristics</b></p> <p>When babies are young they grow rapidly.</p> <p>They are very dependent on their parents. As they develop they learn many skills.</p> <p>At puberty, a child's body changes and develops primary and secondary sexual characteristics. This enables the adult to reproduce.</p>
Year 6				
<p><b>Key Skills (Working Scientifically - Year 5/6)</b></p> <ul style="list-style-type: none"> <li>➤ planning different types of scientific enquiries to answer questions</li> <li>➤ taking measurements, using a range of scientific equipment, with increasing accuracy and precision, taking repeat readings when appropriate</li> <li>➤ recording data and results of increasing complexity using scientific diagrams and graphs</li> <li>➤ using test results to make predictions to set up further comparative and fair tests</li> <li>➤ reporting and presenting findings from enquiries, including conclusions, causal relationships</li> <li>➤ identifying scientific evidence that has been used to support or refute ideas or arguments.</li> </ul>				
Year 6	Living Things and Their Habitats	<b>Spirituality</b>	<ul style="list-style-type: none"> <li>Describe how living things are classified into broad groups according to common observable characteristics and based on similarities and differences, including micro-organisms, plants and animals</li> </ul>	<p><b>Vertebrates, fish, amphibians, reptiles, birds, mammals, invertebrates, insects, spiders, snails, worms, flowering and non-flowering</b></p> <p>Living things can be formally grouped according to characteristics.</p> <p>Plants and animals are two main groups but there are other living things that do not fit into these groups</p>

			<ul style="list-style-type: none"> <li>Give reasons for classifying plants and animals based on specific characteristics.</li> </ul>	<p>Plants can make their own food whereas animals cannot.</p> <p>Animals can be divided into two main groups – those that have backbones (vertebrates) and those that do not (invertebrates). Vertebrates can be divided into five small groups – fish, amphibians, reptiles, birds and mammals.</p> <p>Each group has common characteristics. Invertebrates can be divided into a number of groups including insects, spiders, snails and worms.</p> <p>Plants can be divided broadly into two main groups – flowering plants and non-flowering plants.</p> <p>Use secondary sources to learn about the formal classification system devised by Carl Linnaeus and why it is important</p> <p>Use first hand observation to identify characteristics shared by the animals in a group</p> <p>Use secondary sources to research the characteristics of animals that belong to a group</p> <p>Use information about the characteristics of an unknown animal or plant to assign it to a group</p> <p>Classify plants and animals presenting this in a range of ways</p> <p>Create an imaginary animal which has features from one or more groups</p> <p><b>End Points:</b></p> <ul style="list-style-type: none"> <li>Know that Living things can be grouped according to characteristics and understand that Plants and animals are two main groups but there are other living things that do not fit into these groups e.g. micro-organisms.</li> <li>Know that animals can be divided into two main groups (vertebrates and invertebrates) and that these can then be divided again into other groups.</li> <li>Know that plants can be divided into two main groups (flowering and non-flowering plants) and that plants can make their own food but animals cannot.</li> <li>Be able to give examples of different living things in these groups and explain reasons for classifying plants and animals in a specific way.</li> </ul>
Year 6	Animals Including Humans	Spirituality	<ul style="list-style-type: none"> <li>Identify and name the main parts of the human circulatory system, and describe the functions of the heart, blood vessels and blood</li> <li>Recognise the impact of diet, exercise, drugs and lifestyle on the way their bodies function</li> </ul>	<p><b>Heart, pulse, rate, pumps, blood, blood vessels, transported, lungs, oxygen, carbon dioxide, nutrients, water, muscles, cycle, circulatory system, diet, exercise, drugs and lifestyle</b></p>

			<ul style="list-style-type: none"> <li>Describe the ways in which nutrients and water are transported within animals, including humans.</li> </ul>	<p>The heart pumps blood in the blood vessels around to the lungs. Oxygen goes into the blood and carbon dioxide is removed. The blood goes back to the heart and is then pumped around the body.</p> <p>Nutrients, water and oxygen are transported in the blood to the muscles and other parts of the body where they are needed. As they are used they produce carbon dioxide and other waste products.</p> <p>Carbon dioxide is carried by the blood back to the heart and then the cycle starts again as it is transported back to the lungs to be removed from the body. This is the human circulatory system.</p> <p>Diet, exercise, drugs and lifestyle have an impact on the way our bodies function.</p> <p>Some conditions are caused by deficiencies in our diet</p> <p>Carry out a range of pulse rate investigations</p> <p>Learn about the impact of exercise, diet, drugs and lifestyle on the body. This is likely to be taught through direct instruction due to its sensitive nature</p> <p><b>End Points:</b></p> <ul style="list-style-type: none"> <li>Be able to explain how the human circulatory system works, naming the main parts and their functions.</li> <li>Know and be able to explain how diet, exercise, drugs and lifestyle impacts on how the body functions.</li> <li>Know and can explain how water and nutrients are transported in animals, including humans.</li> </ul>
Year 6	<b>Evolution and Inheritance</b>	<b>Spirituality</b>  <b>Justice &amp; Responsibility</b>	<ul style="list-style-type: none"> <li>Recognise that living things have changed over time and that fossils provide information about living things that inhabited the Earth millions of years ago</li> <li>Recognise that living things produce offspring of the same kind, but normally offspring vary and are not identical to their parents</li> <li>Identify how animals and plants are adapted to suit their environment in different ways and that adaptation may lead to evolution.</li> </ul>	<p><b>Offspring, sexual reproduction, vary, characteristics, suited, adapted, environment, inherited, species, fossils</b></p> <p>All living things have offspring of the same kind, as features in the offspring are inherited from the parents. Due to sexual reproduction, the offspring are not identical to their parents and vary from each other.</p> <p>Plants and animals have characteristics that make them suited (adapted) to their environment.</p> <p>If the environment changes rapidly some variations of a species may not suit the new environment and will die. If the environment changes slowly, animals and plants with variations that are best suited survive in greater numbers to reproduce and pass their characteristics on to their young.</p> <p>Over time these inherited characteristics become more dominant within the population. Over a very long period of time these characteristics may be so different to how they were originally that a new species is created. This is evolution.</p>

				<p>Fossils give us evidence of what lived on the Earth millions of year ago and provide evidence to support the theory of evolution.</p> <p>Design a new plant or animal to live in a particular habitat</p> <p>Make observations of fossils to identify living things that lived on Earth millions of years ago</p> <p>Identify features in animals and plants that are passed on to offspring</p> <p><b>End Points:</b></p> <ul style="list-style-type: none"> <li>• Understands and can explain the process of evolution.</li> <li>• Understands and can explain how different plants and animals are suited (adapted) to their environments and link adaptation over time to evolution.</li> <li>• Give examples of living things that lived millions of years ago and the fossil evidence we have to support this.</li> <li>• Understands reproduction and offspring, recognising that offspring vary and are not identical to their parents.</li> </ul>
Year 6	<b>Light</b>	<b>Spirituality</b>	<ul style="list-style-type: none"> <li>• Recognise that light appears to travel in straight lines</li> <li>• Use the idea that light travels in straight lines to explain that objects are seen because they give out or reflect light into the eye</li> <li>• Explain that we see things because light travels from light sources to our eyes or from light sources to objects and then to our eyes</li> <li>• Use the idea that light travels in straight lines to explain why shadows have the same shape as the objects that cast them.</li> </ul>	<p><b>Light source, absence of light, transparent, translucent, opaque, shiny, matt, surface, reflect, mirror, straight lines, light rays.</b></p> <p>Light appears to travel in straight lines and we see objects when light from them goes into our eyes.</p> <p>The light may come directly from light sources but for other objects some light must be reflected from the object into our eyes for the object to be seen.</p> <p>Objects that block light (are not fully transparent) will cause shadows. Because light travels in straight lines the shape of the shadow will be the same as the outline shape of the object.</p> <p>Explore different ways to demonstrate that light travels in straight</p> <p>Explore the uses of the behaviour of light, reflection and shadows such as in periscope design, rear view mirrors and shadow puppets.</p> <p><b>End Points:</b></p> <ul style="list-style-type: none"> <li>• Understands and can describe how light travels, in straight lines, from a light source to our eyes or reflected from other objects into our eyes.</li> <li>• Understands and can explain how light travels in straight lines past translucent or opaque objects to form a shadow of the same shape and understands how and why shadows change size.</li> </ul>
Year 6	<b>Electricity</b>		<ul style="list-style-type: none"> <li>• Associate the brightness of a lamp or the volume of a buzzer with the number and voltage of cells used in the circuit</li> <li>• Compare and give reasons for variations in how components function, including the brightness of</li> </ul>	<p><b>Circuit, complete circuit, circuit diagram, circuit symbol, cell, battery, bulb, buzzer, motor, switch, voltage</b></p> <p>Adding more cells to a complete circuit will make a bulb brighter, a motor spin faster or a buzzer make a louder sound.</p>

			bulbs, the loudness of buzzers and the on/off position of switches <ul style="list-style-type: none"> <li>Use recognised symbols when representing a simple circuit in a diagram.</li> </ul>	If you use a battery with a higher voltage, the same thing happens. Adding more bulbs to a circuit will make each bulb less bright. Using more motors or buzzers, each motor will spin more slowly and each buzzer will be quieter. Turning a switch off (open) breaks a circuit so the circuit is not complete and electricity cannot flow. Any bulbs, motors or buzzers will then turn off as well. You can use recognised circuit symbols to draw simple circuit diagrams. Explain how a circuit operates to achieve particular operations, such as control the light for a torch with varying brightness or make a motor go faster or slower Make circuits to solve particular Carry out fair tests exploring changes in circuits <b>End Points:</b> <ul style="list-style-type: none"> <li>Be able to make electric circuits and knows how the number and voltage of cells within a circuit links to the brightness of a light or the volume of a buzzer.</li> <li>Be able to compare and give reasons why components work and do not work in a circuit.</li> <li>Be able to use recognised circuit symbols to draw simple circuit diagrams.</li> </ul>
--	--	--	--	--

## HISTORY

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
1	All About Me					Real Life Heroes
2			Great Fire of London		Explorers	
3	Stone Age and Iron Age		Romans		Anglo Saxons	
4	Greeks		Vikings			
5	Egyptians					

6	Life in Britain – WWII		Life in Britain – WWII	Benin
	Topic	Christian Distinctiveness	National Curriculum	Key Knowledge and Vocabulary
Year 1	<p><b>All about me</b> (Changes within living memory – 1970’s)</p> <p><b>Real Life Heroes</b> (The achievements of significant people from the past)</p>	<p><b>Spirituality</b></p> <p><b>Justice &amp; Responsibility</b></p>	<ul style="list-style-type: none"><li>• changes within living memory (history of grandparents 1970’s)</li><li>• the lives of significant individuals in the past who have contributed to national and international achievements (Richard III, Dr Barnardo, Florence Nightingale, Samuel Pepys, Roald Amundsen, Neil Armstrong)</li><li>• significant historical events, people and places in their own locality</li><li>• events beyond living memory that are significant nationally (Great Fire of London)</li></ul>	<p><b>A long time ago, same/different, change, people, lives, Past, now, modern, old, new, decade, 1970’s</b></p> <p><b>History, significant, timeline, order, compare, similar, different, fact, opinion, artefact, event, source, evidence, changes, invention, question, cause, consequences, reason, connections, century, decade, living memory, periods of time</b></p> <ul style="list-style-type: none"><li>• Develop an awareness of the past</li><li>• Use common words and phrases relating to the passing of time (see next column)</li><li>• Understand where the people and events they are studying fit into a chronological framework</li><li>• Identify similarities and differences</li><li>• Ask and answer questions</li><li>• Understand how we find out about the past</li></ul> <p><b>End Points Year 1:</b></p> <ul style="list-style-type: none"><li>➤ Use common words and phrases relating to the passing of time</li><li>➤ Be able to state how times have changed between now and Victorian times</li></ul> <p><b>End Points Year 2:</b></p> <ul style="list-style-type: none"><li>➤ Be able to recount relevant facts from The Great Fire of London</li><li>➤ To know that Roald Amundsen and Neil Armstrong contributed to international achievements</li></ul>
Year 2	<p><b>The Great Fire of London</b> (significant events beyond living memory)</p> <p><b>Explorers</b> (the achievements of significant people)</p>	<p><b>Spirituality</b></p> <p><b>Justice &amp; Responsibility</b></p>		

<p><b>Year 3</b></p>	<p><b>Changes in Britain from the Stone Age to Iron Age</b> (changes in Britain)</p> <p><b>The Roman Empire and its impact on Britain</b> (The impact on Britain)</p> <p><b>Britain settlement by Anglo-Saxon and Scots</b> (Britain's settlement by Anglo-Saxons)</p> <p><b>Anglo-Saxon Struggle for the kingdom of England to the time of Edward the confessor.</b></p>	<p><b>Spirituality</b></p> <p><b>Justice &amp; Responsibility</b></p>	<ul style="list-style-type: none"> <li>late Neolithic hunter-gatherers and early farmers, for example, Skara Brae</li> <li>Bronze Age religion, technology and travel, for example, Stonehenge</li> <li>Iron Age hill forts: tribal kingdoms, farming, art and culture</li> <li>Julius Caesar's attempted invasion in 55-54 BC</li> <li>the Roman Empire by AD 42 and the power of its army</li> <li>British resistance, for example, Boudica</li> <li>'Romanisation' of Britain: the impact of technology, culture and beliefs, including early Christianity</li> <li>Roman withdrawal from Britain in c. AD 410 and the fall of the western Roman Empire</li> <li>Scots invasions from Ireland to north Britain (now Scotland)</li> <li>Anglo-Saxon invasions, settlements and kingdoms: place names and village life</li> <li>Anglo-Saxon art and culture</li> <li>Christian conversion – Canterbury, Iona and Lindisfarne</li> <li>Viking raids and invasion</li> <li>resistance by Alfred the Great and Athelstan, first king of England</li> <li>Anglo-Saxon laws and justice</li> <li>Edward the Confessor and his death in 1066</li> <li>a depth study linked to one of the British areas of study listed above</li> </ul>	<p><b>Chronological, Millennium, BC/BCE, AD/CE, era, similarities, differences, Prehistoric, primary, secondary sources, ancient, modern, archaeology, archaeologist, contrasts, trends over time, influence, significant, impact</b></p> <ul style="list-style-type: none"> <li>Develop a chronologically secure knowledge and understanding of British, local and world history</li> <li>They should note connections, contrasts and trends over time and develop the appropriate use of historical terms</li> <li>They should regularly address and sometimes devise historically valid questions about change, cause, similarity and difference, and significance.</li> <li>They should construct informed responses that involve thoughtful selection and organisation of relevant historical information.</li> <li>They should understand how our knowledge of the past is constructed from a range of sources</li> </ul> <p><b>End Points Year 3:</b></p> <ul style="list-style-type: none"> <li>➤ Understand that items found in the past between Stone Age and Iron Age are helping us to build accurate pictures of how people lived</li> <li>➤ To give some examples of what impact the Roman Empire had on Britain</li> <li>➤ To recognise different time periods that exist between different groups invading Britain</li> </ul> <p><b>End Points Year 4:</b></p> <ul style="list-style-type: none"> <li>➤ To articulate how the Greeks have influenced the Western world</li> <li>➤ To communicate their understanding of the history of Castle Donington</li> </ul>
<p><b>Year 4</b></p>	<p><b>A local History study (Castle Donington)</b></p> <p><b>A study of Greek life and achievements and their influence on the western world (Ancient Greece)</b></p>	<p><b>Spirituality</b></p> <p><b>Justice &amp; Responsibility</b></p>	<p>(This cell is shared with Year 3 and contains the same list of topics)</p>	<p>(This cell is shared with Year 3 and contains the same learning objectives and end points)</p>

	<p>(a study of Greek life and achievements and their influence on the western world)</p> <p><b>Viking Struggle for the kingdom of England to the time of Edward the confessor.</b> (Britain's settlement by Anglo-Saxons)</p>		<ul style="list-style-type: none"> <li>• a study over time tracing how several aspects of national history are reflected in the locality (this can go beyond 1066)</li> <li>• a study of an aspect of history or a site dating from a period beyond 1066 that is significant in the locality.</li> <li>• the legacy of Greek culture (art, architecture or literature) on later periods in British history, including the present day</li> <li>• Ancient Greece – a study of Greek life and achievements and their influence on the western world</li> </ul>	
Year 5	<p><b>A study on the achievements of the earliest civilizations – Ancient Egyptians</b> (the achievements of the earliest civilizations)</p>	<p><b>Spirituality</b></p> <p><b>Justice &amp; Responsibility</b></p>	<ul style="list-style-type: none"> <li>• the achievements of the earliest civilizations – an overview of where and when the first civilizations appeared and a depth study of Ancient Egypt;</li> <li>• a significant turning point in British history, for example, the first railways or the Battle of Britain</li> </ul>	<p><b>Cause and effect, propaganda, bias, society, Empire, point of view, objectivity, subjectivity, consequences, legacy, Modern British Values, laws</b></p> <ul style="list-style-type: none"> <li>• Develop a chronologically secure knowledge and understanding of British, local and world history</li> <li>• They should note connections, contrasts and trends over time and develop the appropriate use of historical terms</li> <li>• They should regularly address and sometimes devise historically valid questions about change, cause, similarity and difference, and significance.</li> <li>• They should construct informed responses that involve thoughtful selection and organisation of relevant historical information.</li> <li>• They should understand how our knowledge of the past is constructed from a range of sources</li> </ul> <p><b>End Points Year 5:</b></p> <ul style="list-style-type: none"> <li>➤ To identify the achievements of the Ancient Egyptians and their importance in history</li> </ul> <p><b>End Points Year 6:</b></p> <ul style="list-style-type: none"> <li>➤ To name key events leading from the First WW to Second WW and their impact on British history</li> </ul>
Year 6	<p><b>A study of an aspect or theme in British history that extends pupils' chronological knowledge beyond 1066 (Life in Britain leading up to, during and after The Second World War)</b> (a significant turning point in British history)</p>	<p><b>Spirituality</b></p> <p><b>Justice &amp; Responsibility</b></p>	<ul style="list-style-type: none"> <li>• a non-European society that provides contrasts with British history –Benin (West Africa) c. AD 900-1300.</li> </ul>	

	<b>A study of a Non-European society - Benin</b> (a non-European society that provides contrasts with British history)			➤ To describe the key facts about Benin history and how this contrasts with the British history they have covered
--	---	--	--	---

## GEOGRAPHY

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
1		Around and About	Amazing Animals		Plant Power	Weather Watch
	Weather Watch – tracking the temperature and conditions for one week at the start of each month					
2				Weather patterns	Islands and Explorers	
3	How are rocks used in the local environment? Where can we see weathering		Europe focus - Italy		Rivers, mountains, earthquakes Counties in UK	
4					Castleton	
5			Our locality – From a different view - Equality		Rivers and Rainforests	
6		Similarities and differences between UK and France	Land use pre and post war		Adventure	
	Topic	Christian Distinctiveness	National Curriculum		Key Knowledge and Vocabulary	
Year 1	Around and About UK knowledge Compare village and town	Spirituality	Locational knowledge <ul style="list-style-type: none"><li>Name and locate the world’s seven continents and five oceans (both years)</li></ul>		Human: City, town, village, factory, farm, house, office, port, harbour, shop, capital city, country Physical: beach, cliff, coast, forest, hill, mountain, sea, ocean, river, soil, valley, vegetation, season, weather, marine	

	<b>Fieldwork</b> Borough Street walk - <i>What is the same and different about the shops in Borough Street?</i>		<ul style="list-style-type: none"> <li>Name, locate and identify characteristics of the 4 countries and capital cities of the UK and its surrounding seas (both years)</li> </ul> <b>Place knowledge</b> <ul style="list-style-type: none"> <li>Understand geographical similarities and differences through studying the human and physical geography of a small area of UK (Year 1) and of a small area in a contrasting non-European country (Year 2)</li> </ul>	<b>Map and fieldwork:</b> Asia, Africa, North America, South America, Antarctica, Australia/Oceania/Australasia, Europe, Arctic, Southern, Pacific, Atlantic, Indian England, Scotland, Wales, Northern Ireland, Belfast, Edinburgh, London, Cardiff, North/Irish/Celtic Seas, English Channel <b>Other:</b> recycle, compass, compass points (NSEW), fieldwork, plan, aerial photograph, map key symbols, Equator, hot/cold, direction, key, continent, globe, atlas, address, right/left, patterns, characteristics, surrounding seas  ➤ Develop knowledge about the world, the United Kingdom and their locality ➤ Understand basic geographical vocabulary both human and physical ➤ Use first hand observation and geographical skills to enhance local awareness  <b>End Points Year 1:</b> ➤ Can they say what they like about their locality? ➤ Can they identify the four countries making up the United Kingdom? ➤ Can they name some of the main towns and cities in the United Kingdom? ➤ Can they explain the main features of a hot and cold place? ➤ Can they point out where the equator, north pole and south pole are on a globe or atlas?  <b>End Points Year 2:</b> ➤ Can they name the capital cities of England, Wales, Scotland and N. Ireland? ➤ Can they find where they live on a map of the UK? Can they describe the key physical features of a place using words like beach, coast, forest, hill,
	<b>Amazing Animals</b> Hot and cold places Equator Nairobi – contrasting location	<b>Spirituality</b>	<b>Human and Physical Geography</b> <ul style="list-style-type: none"> <li>Identify seasonal and daily weather patterns in the UK and the location of hot and cold areas of the world in relation to the Equator and the North and South Poles (both years)</li> <li>Use geographical vocabulary to refer to key physical and human features. (both years – see column opposite)</li> </ul>	
	<b>Plant Power</b> Local environment – physical and human features	<b>Spirituality</b>	<b>Geographical skills and fieldwork</b> <ul style="list-style-type: none"> <li>Use simple fieldwork and observational skills to study the geography of their school and its grounds and the human and physical features of surrounding environment (Year 1)</li> </ul>	
	<b>Weather Watch</b> Looking at changes and patterns across the year using our data	<b>Spirituality</b>	<ul style="list-style-type: none"> <li>Use world maps, atlases and globes to identify the UK and its countries, as well as the countries, continents and oceans studied at this key stage.</li> </ul>	
Year 2	<b>Climate and countries</b> UK countries	<b>Spirituality</b>	<ul style="list-style-type: none"> <li>Use simple compass directions and locational and directional language to describe the geography of their school and its grounds and the key human and physical features of its surrounding area (Year 1, compass directions again in Year 2)</li> </ul>	
	<b>Fieldwork</b> – collecting weather data - <i>What is the weather like in our school grounds?</i>	<b>Justice &amp; Responsibility</b>	<ul style="list-style-type: none"> <li>Use aerial photographs and plan perspectives to recognise landmarks and basic human and physical features; devise a simple map; and use and construct basic symbols in a key (Year 2)</li> </ul>	

	<b>Islands and Explorers</b> Continents and oceans Physical and human features	<b>Spirituality</b>  <b>Justice &amp; Responsibility</b>		mountain, ocean, valley? ➤ Can they name the continents of the world and find them in an atlas? ➤ Can they name the world's oceans and find them in an atlas?
Year 3	<b>Romans – Europe Focus</b>  <b>Anglo-Saxons</b>	<b>Spirituality</b>  <b>Justice &amp; Responsibility</b>	<b>Locational knowledge</b> <ul style="list-style-type: none"> <li>Locate the world's countries, using maps to focus on Europe (including the location of Russia) Year 3</li> <li>Locate the world's countries, using maps to focus on North and South America, concentrating on their environmental regions, key physical and human characteristics, countries, and major cities - Year 5</li> <li>Name and locate counties and cities of the United Kingdom, geographical regions and their identifying human and physical characteristics, key topographical features (including hills, mountains, coasts and rivers), and land-use patterns; and understand how some of these aspects have changed over time - Year 3</li> <li>Identify the position and significance of latitude, longitude, Equator, Northern Hemisphere, Southern Hemisphere, the Tropics of Cancer and Capricorn, Arctic and Antarctic Circle, the Prime/Greenwich Meridian and time zones (including day and night) Year 5/6</li> </ul>	<b>Human: urban, region, Europe, country, county, economy, trade, energy</b> <b>Physical: landscape, hills and mountains (and UK names e.g., Grampians)</b> <b>Coast, rural, climate, erosion, deposition, earthquake, volcano, water cycle, geology, minerals and rock types, Tundra, coniferous, deciduous, Mediterranean, mountainous, desert</b> <b>Map and fieldwork: observe, measure, record, environmental, region, compass points, ordnance survey map, scale, 4 figure grid, reference, contours, symbols, minerals, rocks</b> <b>Other: globally significant, land use, mountains, river features, equator, hemisphere, food chain, condensation, evaporation, change/effect</b>
	<b>Rivers, Mountains, Earthquakes and Counties</b> <b>Fieldwork</b> <i>How are rocks used in the local environment?</i> <i>Where can we see weathering?</i>	<b>Spirituality</b>  <b>Justice &amp; Responsibility</b>		
Year 4	<b>Contrasting Location Study - Castleton and Castle Donington</b> Similarities and differences between CD and Castleton <b>Fieldwork</b> traffic survey - <i>Is traffic a problem in Castle Donington?</i>	<b>Spirituality</b>  <b>Justice &amp; Responsibility</b>	<b>Place knowledge</b> <ul style="list-style-type: none"> <li>Understand geographical similarities and differences through the study of human and physical geography of a region of the United Kingdom - Year 4</li> <li>Understand geographical similarities and differences through the study of human and physical geography of a region in a European country - Year 6</li> <li>Understand geographical similarities and differences through the study of human and physical geography of a region within North or South America (Year 5)</li> </ul> <b>Human and Physical Geography</b>	➤ Extend knowledge and understanding beyond the local area to include the United Kingdom and Europe, North and South America including the location and characteristics of a range of the world's most significant human and physical features. ➤ Develop the use of geographical knowledge, understanding and skills to enhance their locational and place knowledge. <b>End Points Year 3:</b> <ul style="list-style-type: none"> <li>➤ To name and locate well-known countries and cities in Europe.</li> <li>➤ To use an 8-point compass correctly.</li> <li>➤ To name up to six cities in the UK.</li> <li>➤ To name up to six counties in the UK.</li> </ul>
	<b>Vikings</b>	<b>Spirituality</b>  <b>Justice &amp; Responsibility</b>		

			<p>Describe and understand key aspects of:</p> <ul style="list-style-type: none"> <li>physical geography, including: climate zones, biomes and vegetation belts (Year 5), rivers (Year 5) mountains, volcanoes (Year 3) and earthquakes (Year 3), and the water cycle (Year 5)</li> <li>human geography, including: types of settlement and land use, economic activity including trade links, and the distribution of natural resources including energy, food, minerals and water (Year 4)</li> </ul> <p><b>Geographical skills and fieldwork</b></p> <ul style="list-style-type: none"> <li>Use maps, atlases, globes and digital/computer mapping to locate countries and describe features studied</li> <li>Use the eight points of a compass, four and six-figure grid references, symbols and key (including the use of Ordnance Survey maps) to build their knowledge of the United Kingdom and the wider world (Year 4)</li> <li>Use fieldwork to observe, measure, record and present the human and physical features in the local area using a range of methods, including sketch maps, plans and graphs, and digital technologies.</li> </ul>	<p>➤ To describe how volcanoes, mountains and earthquakes are created.</p> <p><b>End Points Year 4:</b></p> <p>➤ Compare and contrast geographical similarities and differences through the study of human and physical geography of a region of the United Kingdom (Castleton)</p> <p>➤ Human geography, including: types of settlement and land use, economic activity including trade links, and the distribution of natural resources including energy, food, minerals and water</p> <p>➤ Use four and six-figure grid references, symbols and key (including the use of Ordnance Survey maps) to build their knowledge of the United Kingdom and the wider worlds</p>
Year 5	<p><b>Rainforests and Rivers</b></p> <p><b>Fieldwork</b> - <i>Our locality – From a different view - Equality</i></p>	<p><b>Spirituality</b></p> <p><b>Justice &amp; Responsibility</b></p>		<p><b>Human:</b> trade, deforestation, derelict, economy</p> <p><b>Physical:</b> Tributary, confluence, meander, ox bow estuary, mouth source, biomes, climate zones</p> <p><b>Map and fieldwork:</b> GIS – geographical information systems, global warming, latitude, longitude, north/south hemisphere, tropics of Capricorn and Cancer, time differences</p>
Year 6	<p><b>A study to compare a region in UK with a European country (France)</b></p>	<p><b>Spirituality</b></p> <p><b>Justice &amp; Responsibility</b></p>		<p>➤ Extend knowledge and understanding beyond the local area to include the United Kingdom and Europe, North and South America including the location and characteristics of a range of the</p>

	<b>Adventure</b> Longitude, latitude etc and environmental regions and characteristics of world countries <b>Fieldwork</b> <i>What is changing in  our local area?</i>	<b>Spirituality</b>  <b>Justice &amp; Responsibility</b>		world's most significant human and physical features. ➤ Develop the use of geographical knowledge, understanding and skills to enhance their locational and place knowledge. <b>End Points Year 5:</b> ➤ Can they explain how the water cycle works? ➤ Can they explain why people are attracted to live by rivers? ➤ Can they name and locate many of the world's major rivers on maps? ➤ Can they locate and name the main countries in South America on a world map and atlas? <b>End Points Year 6:</b> ➤ Describe geographical similarities and differences through the study of human and physical geography of a region in France
--	---	--	--	--

## ART AND DESIGN

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
1	<b>Painting</b> Colour Mixing drawing	<b>Textiles</b> Sewing a Christmas Decoration	<b>Printing</b> Animal Patterns		<b>Collage</b> Van Gogh Sunflowers <b>Drawing</b> Sketching techniques	
2	<b>Drawing</b> Jungle art inspired by Henri Rousseau		<b>Printing</b> Fire of London		<b>Sculpture</b> Wire animals inspired by Jane Tilley	
3	<b>Painting</b> Inspired by William T Williams	<b>Drawing</b> Sketching techniques to draw the Iron Man			<b>Textiles</b> Sewing an Anglo Saxon Purse	
4		<b>Sculpture</b> Greek God Sculptures			<b>Drawing/Painting</b> Roy Lichtenstein inspired self portraits	
5	<b>Printing</b> Egyptian inspired lino printing		<b>Textiles</b> Space themed cross stitch		<b>Painting - Water Colours</b>	<b>Sculpture</b> Rainforest animals

				Oenone Hammersley inspired water colour - Rainforest animals		
6	Drawing Understanding pencil grades Sketching an eye and panda	Sculpture Wire Soldiers			Collage Shadow art and art inspired by Maia Walczak	
	Skill Development	Christian Distinctiveness	National Curriculum Content	Key Knowledge and Vocabulary		
Year 1	Painting  Drawing  Textiles  Printing  Textiles	Spirituality	<ul style="list-style-type: none"><li>Produce creative work, exploring ideas and recording experiences</li><li>Be proficient in drawing, painting, sculpture and other art, craft and design</li><li>Evaluate and analyse creative works using the language of art, craft and design</li><li>Know about the great artists, craft makers and designers, and understand the historical and cultural development of their art forms</li></ul>	<u>Painting a self portrait</u> <ul style="list-style-type: none"><li>Mix primary colours and paint.</li><li>use a pencil to draw face and features</li></ul> <u>Christmas Decoration – Textiles</u> <ul style="list-style-type: none"><li>Learn the technique of weaving using a variety of media</li><li>Learn basic running stitch and cross stich to decorate wooden Christmas decoration</li></ul> <u>African Prints - Printing</u> <ul style="list-style-type: none"><li>Make marks in print with a variety of objects</li><li>Build a repeating pattern and recognise pattern in the environment.</li></ul> <u>Sunset Silhouettes – Painting and cutting</u> <ul style="list-style-type: none"><li>Pulling a brush in one direction</li><li>using a fine brush to create different width lines</li><li>mixing paint to create an ombre effect</li><li>cutting accurately</li></ul> <u>Van Gogh inspired Drawing Sunflowers - Drawing</u> <ul style="list-style-type: none"><li>Use a variety of tools, e.g. pencils, rubbers, crayons, pastels, felt tips, charcoal, ballpoints, chalk and other dry media.</li><li>Use drawing pencils to experiment with shading techniques such as cross hatching</li><li>Copy intricate patterns</li></ul>		 
Year 2	Drawing	Spirituality		<u>Henri Rousseau – Drawing and Painting</u>		

	Painting  Printing  3D Form			<ul style="list-style-type: none"> <li>● Draw for a sustained period of time from the figure and real objects, including single and grouped objects.</li> <li>● Mix a range of secondary colours, shades and tones.</li> <li>● Mix and match colours to artefacts and objects.</li> </ul> <p><u>Great Fire of London – Printing</u></p> <ul style="list-style-type: none"> <li>● Use a variety of techniques, e.g carbon printing, relief, press and fabric printing and rubbings.</li> <li>● Design patterns of increasing complexity and repetition.</li> <li>● Print using a variety of materials, objects and techniques.</li> </ul> <p><u>Jane Tilley - Sculpture – 3D Form</u></p> <ul style="list-style-type: none"> <li>● Manipulate clay and wire.</li> <li>● Experiment with, construct and join natural materials more confidently.</li> <li>● Understand the safety and basic care of materials and tools.</li> </ul> 
Year 3	Drawing  Textiles  3D form and painting	<b>Spirituality</b>	<ul style="list-style-type: none"> <li>● Produce creative work, exploring ideas and recording experiences</li> <li>● Be proficient in drawing, painting, sculpture and other art, craft and design</li> <li>● Evaluate and analyse creative works using the language of art, craft and design</li> <li>● Know about the great artists, craft makers and designers, and understand the historical and cultural development of their art forms</li> </ul>	<p><u>Drawing – Iron Man Sketching</u></p> <ul style="list-style-type: none"> <li>● Experiment with different grades of pencil and other implements.</li> <li>● Draw for a sustained period of time at their own level.</li> <li>● Use different media to achieve variations in line, texture, tone, colour, shape and pattern.</li> </ul> <p><u>Christmas Decorations – Textiles</u></p> <ul style="list-style-type: none"> <li>● Develop skills in stitching and joining.</li> </ul>  <p><u>Study William T. Williams art styles</u></p>

Year 4	Drawing  Painting  Sculpture	Spirituality		<p><u>Roy Lichenstein Self-portrait – Painting</u></p> <ul style="list-style-type: none"> <li>● Make and match colours with increasing accuracy.</li> <li>● Use more specific colour language e.g. tint, tone, shade, hue.</li> <li>● Choose paints and implements appropriately.</li> <li>● Show increasing independence and creativity with the painting process.</li> </ul> <p><u>Greek Gods – Sculpture</u></p> <ul style="list-style-type: none"> <li>● Make informed choices about the 3D technique chosen.</li> <li>● Show an understanding of shape, space and form.</li> <li>● Plan, design, make and adapt models.</li> <li>● Use a variety of materials.</li> </ul>
Year 5	Drawing  Painting  Textiles  Printing	Spirituality		<p><u>Oenone Hammersley – Drawing and Painting</u></p> <ul style="list-style-type: none"> <li>● Use a variety of source material for their work.</li> <li>● Work in a sustained and independent way from observation</li> <li>● Work on preliminary studies to test media and materials</li> </ul> <p><u>Space Cross Stitch – Textiles</u></p> <ul style="list-style-type: none"> <li>● Use different grades and uses of threads and needles.</li> <li>● Extend their work within a specified technique.</li> </ul> <p><u>Lino Printing – Printing</u></p> <ul style="list-style-type: none"> <li>● Use different techniques, e.g the use of poly-blocks, relief, mono and resist printing.</li> <li>● Organise their work in terms of pattern, repetition, symmetry or random printing styles.</li> </ul>
Year 6	Drawing  3D Form	Spirituality		<p><u>The Eye – Drawing</u></p> <ul style="list-style-type: none"> <li>● Demonstrate a wide variety of ways to make different marks with dry and wet media.</li> <li>● Manipulate and experiment with the elements of art: line, tone, pattern, texture, form, space, colour and shape.</li> </ul>

				 <p><u>Sculptures – 3D Form</u></p> <ul style="list-style-type: none"> <li>Create sculpture and constructions with increasing independence.</li> </ul>

## MUSIC

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
1	<b>Music Express</b> Unit 10 Our Bodies – (beat/pulse) <b>Singing</b> Harvest, Christmas Songs Singing in class e.g. body songs in Y1		<b>Graphic scores</b> based on Jack and the Beanstalk <b>Singing</b> - Singing Sherlock Songs also working on music dimensions. Spring 2.		<b>Listening</b> Using music from the Model Music Curriculum <b>Music Express</b> Unit 4 – Weather (Exploring sounds)	
2	<b>Carnival of the Animals – Listening</b> <b>Singing</b> – Christmas, Harvest Songs		<b>Music Express</b> Unit 4 Our Bodies (beat) <b>Singing</b>		<b>Music Express</b> Unit 3 Our Land (exploring sounds) <b>Notation</b>	
3	<b>Music Express</b> Unit 1 – Environment (composition)		<b>Music Technology</b> Chrome Books Song Maker composition		<b>Music Express</b> Unit 7 – In the past (pitch) <b>Listening</b> Using music from the Model Music Curriculum	
4	<b>WCIT (Whole Class Instrumental Teaching) - Recorders</b>		<b>Listening:</b> BBC Ten Pieces Hans Zimmer		<b>WCIT - Recorders</b>	
5	<b>Instruments in orchestra and family groups</b> <b>Listening</b> Using music from the Model Music Curriculum		<b>WCIT Dood Clarinets</b>		<b>WCIT - Doods</b>	

6	Music Express Unit 1 (Worlds Unite)		Singing and Listening: World War Two songs Composition/ Music Technology Chrome Books/tablets composition		Music Express Unit 2 (Journeys)	
	Topic	Christian Distinctiveness	National Curriculum		Key Knowledge and Vocabulary	
Year 1	Our Bodies (Beat/Pulse)  Jack and the Bean Stalk  Weather	Spirituality	<u>End points for KS1</u> <ul style="list-style-type: none"><li>To understand the meaning of the musical dimensions above</li><li>To be able to copy a simple rhythm</li><li>To be able to play tuned and untuned percussion with a degree of accuracy and control</li><li>To enjoy taking part in singing</li><li>To be able to articulate their responses to different music including the appropriate musical language</li></ul>		<u>Performing</u> <i>Use their voices expressively and creatively by singing songs and speaking chants and rhymes</i> <ul style="list-style-type: none"><li>Sing simple songs and chants (with actions) building rhythmic and melodic memory</li><li>Use voices to create sounds – humming, whispers, clicks and whistles</li><li>Start and stop together on direction</li><li>Begin to use <b>correct</b> technique when playing a range of percussion instruments</li><li>Keep a steady beat and copy simple rhythmic patterns</li></ul>	
Year 1	Carnival of the Animals  Our Bodies (Beat)  Our Land	Spirituality			<u>Improvising and Composing</u> <i>Play tuned and untuned percussion instruments musically. Experiment with, create, select and combine sounds using the interrelated dimensions* of music</i> <ul style="list-style-type: none"><li>Create and clap own rhythms</li><li>Create patterns of sound – long/short, high/low, loud/quiet</li><li>Use instruments to reflect a topic or add sound effects to a story</li><li>Invent symbols to represent sound and create a simple graphic score for pitch or duration that others can follow</li></ul> <u>Listening and Reviewing</u> <i>Listen with concentration and understanding to a range of high quality live and recorded music</i>	

				<ul style="list-style-type: none"> <li>• Talk about music heard with appropriate vocabulary</li> <li>• Begin to explore how music can affect emotions</li> <li>• Recognise how music enriches our lives</li> <li>• Compare two contrasting pieces of music for dimensions such as pitch or tempo</li> <li>• Think of ways to improve their compositions</li> </ul> <p><b><u>Dimensions</u></b></p> <p><b>Pitch:</b> recognise and respond to high, low and middle sounds</p> <p><b>Duration:</b> recognise and respond to a pulse and patterns of long and short sounds</p> <p><b>Dynamics:</b> understand loud, quiet and silence</p> <p><b>Tempo:</b> understand fast and slow</p> <p><b>Timbre:</b> identify different percussion sounds and how they are made</p> <p><b>Texture:</b> recognise and respond to one sound leading to many sounds</p> <p><b>Structure:</b> understand and identify beginning, middle and end and use of repetition and structure</p>
Year 3	Environment  Song Maker  In the Past	Spirituality	<b><u>End points for KS2</u></b> <ul style="list-style-type: none"> <li>• Read and play up to 5 notes on an instrument with a degree of accuracy</li> <li>• Improvise/create own music using recorder, Dood clarinet, percussion instruments or technology</li> <li>• Know the four main groups of the orchestra (string, brass, woodwind and percussion)</li> <li>• To enjoy taking part in singing and sing with a degree of control and expression</li> <li>• To understand the meaning of the musical dimensions above</li> <li>• To be able to articulate their responses to different music including the appropriate musical language</li> </ul>	<p><b><u>Performing</u></b></p> <p><b><i>Play and perform in solo and ensemble contexts, using their voices and playing musical instruments with increasing accuracy, fluency, control and expression</i></b></p> <ul style="list-style-type: none"> <li>• Sing rounds and partner songs (Y3 and 4)</li> <li>• Sing songs with a simple ostinato parts (Y3 and 4)</li> <li>• Sing with a developing understanding of expression and dynamics (both)</li> <li>• Perform simple rhythmic and melodic patterns on a variety of percussion instruments (both)</li> <li>• Read and play at least 3 notes on the recorder with a degree of accuracy and care (Y4)</li> </ul> <p><b><u>Improving and Composing</u></b></p> <p><b><i>Improvise and compose music for a range of purposes using the interrelated dimensions* of music</i></b></p> <p><b><i>Use and understand staff and other musical notation</i></b></p>
Year 4	Recorders  Hans Zimmer	Spirituality		

				<ul style="list-style-type: none"> <li>• Represent sounds on a graphic score with symbols for a group performance (Y3 Environment)</li> <li>• Create a soundscape using tuned and untuned percussion (Y3 Environment)</li> <li>• Compose 4 bars of music using 3 notes with an understanding of note value and time signature (Y4)</li> <li>• Staff notation: recognise notes on the stave and note values of crotchet, quaver and minim (both)</li> <li>• Understand and use musical terminology within vocal and instrumental composition (both)</li> <li>• Begin to take part in improvisation sessions with confidence (Y4)</li> </ul> <p><b><u>Listening and Reviewing</u></b></p> <p><b><i>Listen with attention to detail and recall sounds with increasing aural memory</i></b></p> <p><b><i>Appreciate and understand a wide range of high quality live and recorded music drawn from different traditions and from great composers and musicians</i></b></p> <p><b><i>Develop an understanding of the history of music</i></b></p> <ul style="list-style-type: none"> <li>• Recognise family groups within the orchestra and the importance of the conductor (Y4)</li> <li>• Describe and give opinions of music heard with some use of musical vocabulary (Y4)</li> <li>• Discuss the emotional impact of a piece (Y4)</li> <li>• Identify some of the structural and expressive aspects of the music heard (Y4)</li> <li>• Share ways to improve the composition of others (Y4)</li> </ul> <p><b><u>Dimensions</u></b></p> <p><b>Pitch:</b> recognise and respond to higher and lower sounds and general shapes of a melody. Begin to recognise steps, leaps and repeated notes</p> <p><b>Duration:</b> distinguish between a pulse and rhythm. Understand that rhythmic patterns fit to the beat. Begin to understand 4 metre rhythm patterns and syncopated patterns</p>
--	--	--	--	--

				<p><b>Dynamics:</b> understand louder and quieter in finer graduations</p> <p><b>Tempo:</b> understand getting faster and slower in finer graduations</p> <p><b>Timbre:</b> identify a range of instruments by name and how they are played.</p> <p><b>Texture:</b> recognise different combinations of layers in music</p> <p><b>Structure:</b> develop an understanding of repetition (ostinato) and contrast (verse/chorus) and repeat signs.</p>
Year 5	<p><b>Parts of the Orchestra</b></p> <p><b>Doods</b></p>	<p><b>Spirituality</b></p> <p><b>Well Being &amp; Flourish</b></p>		<p><b><u>Performing</u></b></p> <ul style="list-style-type: none"> <li>• Confidently sing part songs and rounds with control, expression, phrasing and dynamics (both)</li> <li>• Play percussion instruments with an understanding of pitch, 2, 3 and 4 metre and syncopated rhythms (Y6)</li> <li>• Accurately maintain an independent part within a group in both instrumental and vocal performance (Y5)</li> <li>• Read and play at least 5 notes on a recorder/Dood clarinet with greater accuracy and independence (Y5)</li> <li>• Perform with control, dynamics and awareness of others (Y5)</li> </ul>
Year 6	<p><b>Worlds Unite</b></p> <p><b>World War II</b></p> <p><b>Journeys</b></p>	<p><b>Spirituality</b></p> <p><b>Well Being &amp; Flourish</b></p>		<p><b><u>Improving and Composing</u></b></p> <ul style="list-style-type: none"> <li>• Represent sounds on a graphic score with symbols for group performance with an awareness of balance, tempo and dynamics (Y6)</li> <li>• Improvise with confidence and an awareness of rhythm, context and purpose (Y5)</li> <li>• Group soundscape composition with instruments and vocals and a conductor (Y6)</li> <li>• Compose four bars of music using up to 5 notes with an understanding of note value and time signature and melody (Y5)</li> </ul>

				<ul style="list-style-type: none"> <li>• Staff notation: recognise notes on the stave and note values of semiquaver, quaver, crochet, minim and semibreve (Y5)</li> </ul> <p><b><u>Listening and Reviewing</u></b></p> <ul style="list-style-type: none"> <li>• Describe and give opinions of the music heard with confident use of an extended range of musical terminology (10 pieces)</li> <li>• Listen to music of differing genres (e.g. jazz, blues, classical) and compare and contrast the different styles (10 pieces)</li> <li>• Discuss ways to improve the composition of others using musical dimensions as a guide (Year 5 recorders)</li> </ul> <p><b><u>Dimensions</u></b></p> <p><b>Pitch:</b> Identify steps, leaps and repeated notes. Identify a major scale pattern and use pitch knowledge to recreate a piece on tuned percussion</p> <p><b>Duration:</b> Understand 2, 3 and 4 metre rhythm patterns and recognise and use a syncopated rhythm</p> <p><b>Dynamics:</b> understand how a wider range of dynamics can be used for expressive effect</p> <p><b>Tempo:</b> understand how a wider range of tempi can be used for expressive effect</p> <p><b>Timbre:</b> discuss the 'quality' of voice and instruments and families of instruments</p> <p><b>Texture:</b> begin to understand different types of harmony</p> <p><b>Structure:</b> develop an understanding of conventional musical structures (e.g. repeat signs, rondo, ostinato)</p>

--	--	--	--	--

	Topic	Christian Distinctiveness	National Curriculum	Key Knowledge and Vocabulary
--	-------	------------------------------	---------------------	------------------------------

In addition to the Year Group units, the areas below are ongoing:

**Physical Health and Fitness:** The importance of building regular exercise into daily and weekly routines and how to achieve this; for example, walking or cycling to school, a daily active mile or other forms of regular, vigorous exercise

**Mental Health and Wellbeing:** The benefits of physical exercise, time outdoors, community participation, voluntary and service-based activity, on mental wellbeing and happiness

**Being Safe:** How to ask for advice or help for themselves or others and to keep trying until they are heard

**Respectful Relationships:** The conventions and courtesy of manners

The importance of respecting others, even when they are very different from them; that they can expect to be treated with respect by others, and that they in turn should show due respect to others, including those in positions of authority

**Internet Safety and Harms:** Through ongoing computing and safer internet practise, and Internet Safety Day: Why social media, some computer games and online gaming are age restricted

**Health and Prevention** – All classes regularly go over the importance of personal hygiene, the spread of germs and viruses and importance of handwashing.

**Health and Prevention** – We take the opportunity during vaccination times, to explore the need for immunisation provided through vaccination.

**Basic First Aid** is covered through the Year 5 First Aid Day and Year 6 visit The Safety Zone

Year 1	Beginning and Belonging	Justice & Responsibility  Spirituality	<b>Families and People who care for me</b> <ul style="list-style-type: none"> <li>the characteristics of healthy family life,</li> <li>that others' families, either in school or in the wider world, sometimes look different from their family</li> </ul>	<ul style="list-style-type: none"> <li>Creating a classroom where they can learn safely and happily</li> <li>Building relationships within the classroom</li> <li>Coping with new situations in school</li> <li>Knowing how to find support</li> </ul>
--------	----------------------------	--	---	--

Year 1	<p>Personal Safety</p> <p>My emotions</p> <p>Anti-Bullying</p> <p>Relationships and Sex Education</p>	<p><b>Justice &amp; Responsibility</b></p> <p><b>Spirituality</b></p> <p><b>Well Being &amp; Flourish</b></p>	<ul style="list-style-type: none"> <li>• How to respond safely and appropriately to adults they may encounter (in all contexts, including online) whom they do not know.</li> </ul> <p>How to recognise and report feelings of being unsafe or feeling bad about any adult and how to report concerns or abuse, and the vocabulary and confidence needed to do so and where to get advice e.g. family, school and/or other sources.</p>	<ul style="list-style-type: none"> <li>• Identify trusted adults</li> <li>• Use the senses to help identify safe places to play</li> <li>• Understand the need for a safety strategy</li> <li>• Identify and name body parts including sexual parts</li> <li>• Identify and distinguish between 'yes' and 'no' touches</li> <li>• Recognise 'good' and 'bad' touches and tricks</li> <li>• Assess risks to keep safe &amp; Use assertive voice and body language</li> <li>• Understand What, When, Who and How to tell</li> </ul> <ul style="list-style-type: none"> <li>• Understand and manage feelings</li> <li>• Know how to get support when they need it</li> <li>• Understand and manage the impact of feelings</li> <li>• Explore what 'relaxed' and 'calm' mean</li> <li>• Explore assertiveness</li> <li>• Use a problem-solving process with help</li> </ul> <ul style="list-style-type: none"> <li>• Defining bullying</li> <li>• Explore causes and types of bullying</li> <li>• Understand how bullying makes us feel</li> <li>• Identify strategies and where to find support in school - it is essential that they discuss their feelings with a trusted adult to avoid isolation and loneliness</li> <li>• Know how to respond if others are bullied</li> <li>• Explore how a caring ethos is promoted in school, encouraging positive and safe relationships</li> <li>• Understand that resorting to violence is never right</li> </ul> <p><b><u>The human life cycle</u></b></p> <ul style="list-style-type: none"> <li>- Humans have babies which turn into adults</li> <li>- Recognise baby animals and their parents</li> <li>- Understand our parents were once babies</li> </ul> <p><b><u>Growing up</u></b></p> <ul style="list-style-type: none"> <li>- Describe things they can know do that they couldn't when they were a baby</li> <li>- Describe ways body changes as get older e.g. adult teeth, get taller</li> </ul> <p><b><u>Personal responsibilities</u></b></p>
--------	---	---	---	---

				<ul style="list-style-type: none"> <li>- Explain things they did as a baby e.g. cry, first words etc</li> <li>- Describe responsibilities they know have e.g. setting table/folding clothes/ getting dressed</li> <li>- How they can help others now older</li> </ul> <p><b>Parents Carers Families</b></p> <ul style="list-style-type: none"> <li>- What does a parent have to do for a baby?</li> <li>- What does a baby need to stay happy and healthy?</li> </ul>
Year 3	<p>Beginning and Belonging</p> <p>Healthy Lifestyles</p> <p>Anti-Bullying</p>	<p><b>Justice &amp; Responsibility</b></p> <p><b>Spirituality</b></p> <p><b>Well Being &amp; Flourish</b></p>		<ul style="list-style-type: none"> <li>● Contributing to discussions about how to make a classroom where they can learn safely and happily</li> <li>● Participate in activities which build collaborative relationships within their class</li> <li>● Recognise emotions involved in being in new situations in school</li> <li>● Know how to make new people welcome and what might be helpful for them in a new situation</li> <li>● Identify sources of support and how they may also help others</li> </ul> <ul style="list-style-type: none"> <li>● Understand what makes a healthy and balanced lifestyle - emphasise what constitutes a healthy diet including understanding calories and other nutritional content building from Year 2 Science and linking to Year 3</li> <li>● Understand the importance of healthy eating</li> <li>● Understand how dental hygiene contributes to a healthy lifestyle</li> <li>● Emphasise importance of sufficient good quality sleep for good health and that lack of sleep can affect weight, mood and ability to learn</li> <li>● Emphasise the risks associated with an inactive lifestyle (including obesity)</li> <li>● How to recognise early signs of physical illness such as weight loss or unexpected changes to the body</li> <li>● Reflect on their own lifestyles and take responsibility for making healthy choices</li> </ul>

	Relationships and Sex Education			<ul style="list-style-type: none"> <li>• Ensure they know how and when to seek support including which adults to speak to in school if they are worried about their health</li> <li>• Understand key characteristics of bullying and different forms including cyberbullying</li> <li>• Understand that resorting to violence is never right</li> <li>• Understand a range of reasons why bullying happens including when people do not respect difference and diversity</li> <li>• Understand how bullying affects us, reinforce how it can cause isolation and loneliness, so it is essential that they discuss their feeling with a trusted adult</li> <li>• Understand strategies for protection from bullying including responding assertively</li> <li>• Understand how to support others who are being bullied</li> <li>• Identifying ways of making school a safer place where bullying is less likely to happen</li> </ul> <p><b><u>The human lifecycle</u></b></p> <ul style="list-style-type: none"> <li>• Main stages e.g. birth, baby, child, teenager etc</li> <li>• Say what stage a person is at and describe differences in bodies at different stages</li> </ul> <p><b><u>Growing up</u></b></p> <ul style="list-style-type: none"> <li>• What does grown up mean?</li> <li>• How we feel about growing up</li> </ul> <p><b><u>Personal responsibilities</u></b></p> <ul style="list-style-type: none"> <li>• Understand adults and children have different responsibilities</li> <li>• State a responsibility they'd like to take on</li> </ul> <p><b><u>Parents Carers Families</u></b></p> <ul style="list-style-type: none"> <li>• What do parents/carers have to do to care for babies?</li> <li>• What can children know do that they couldn't when a baby?</li> <li>• How are parents/carers special?</li> </ul>
--	---------------------------------	--	--	---

Year 4	Family and Friends	<b>Justice &amp; Responsibility</b>  <b>Spirituality</b>  <b>Well Being &amp; Flourish</b>		<ul style="list-style-type: none"> <li>Developing friendship skills</li> <li>Valuing differences between ourselves and seeing things from different points of view</li> <li>Identifying people who are special to them</li> <li>Explore how there are different patterns of family life</li> <li>Refer to how marriage represents a formal and legally recognised commitment of two people to each other which is intended to be lifelong</li> <li>Knowing how to find support and how to recognise if family relationships are making them feel unhappy or unsafe, and how to seek help or advice from others if needed</li> </ul>
	My emotions			<ul style="list-style-type: none"> <li>Understanding and managing an increasing range of emotions, both comfortable and uncomfortable</li> <li>Understanding and managing the impact of emotions</li> <li>Think about their worries and strategies to deal with them, including seeking support</li> <li>Explore the impact of feelings on their actions and strategies for dealing with this</li> <li>Recognise when they are becoming angry or upset and develop good calming strategies</li> <li>Explore how to act assertively</li> <li>Use a problem-solving process without help sometimes</li> </ul>
	Drug Education			<ul style="list-style-type: none"> <li>Understand more about different types of drugs and how they enter the bloodstream</li> <li>Develop understanding about essential use of medicines and basic safety rules including storage</li> <li>Explore attitudes and beliefs about nicotine and alcohol, people who may use or misuse them and why</li> <li>Understand how to act if harmful items are found</li> </ul>
	Relationships and Sex Education			

				<ul style="list-style-type: none"> <li>● Begin to recognise a range of influences and ways of dealing with these</li> </ul> <p><b><u>Body knowledge</u></b></p> <ul style="list-style-type: none"> <li>- Use body part names e.g. penis, vagina, vulva, testicle, breast.</li> <li>- Discuss differences between male and female body</li> </ul> <p><b><u>Body functions and change</u></b></p> <ul style="list-style-type: none"> <li>- Name body parts and sort them into male only/ female only/ both</li> <li>- Describe appearance of a given person in a picture e.g. long legs, small hands etc</li> </ul> <p><b><u>Body awareness and image</u></b></p> <ul style="list-style-type: none"> <li>- Recognise each body is different e.g. hair colour, skin colour, foot size</li> <li>- Understand our bodies are special because they are unique</li> </ul> <p><b><u>Personal hygiene</u></b></p> <ul style="list-style-type: none"> <li>- Describe own personal hygiene routines e.g. changing underwear, washing hair, showering</li> <li>- Why do body parts need to be kept clean?</li> <li>- Own responsibilities for personal hygiene and personal hygiene routines which an adult is responsible for</li> <li>- Responsibilities for personal hygiene they will take on in the future e.g. washing clothes/visiting dentist</li> </ul> <p><b><u>Illness/disease prevention</u></b></p> <ul style="list-style-type: none"> <li>- How germs get into the body</li> <li>- Actions we can take to prevent passing on germs</li> </ul> <p><b><u>Body functions and changes</u></b></p> <ul style="list-style-type: none"> <li>- Name some changes to their body and opposite sex during puberty e.g. periods, voice breaking, pubic hair</li> </ul>
--	--	--	--	--

Year 5	My emotions	Justice & Responsibility		<ul style="list-style-type: none"> <li>• Understanding and managing feelings, the impact they can have and explore strategies to help them cope</li> <li>• Concentrate on individual emotions – boredom, worry and stress</li> <li>• Use the ‘problem-solving process’ to help myself and others</li> <li>• To be able to get support when it is needed</li> <li>• Refer to how it is common for people to experience mental ill health. For many who do, the problems can be resolved if the right support is made available, especially if accessed early enough</li> <li>• Build confidence and assertiveness</li> </ul>
	Anti Bullying	Spirituality		
	Managing Change	Well Being & Flourish		<ul style="list-style-type: none"> <li>• Define bullying through comparing and contrasting different forms i.e. physical, verbal, indirect, cyberbullying</li> <li>• Understand that resorting to violence is never right</li> <li>• Understand personal factors or circumstances that may cause someone to engage in bullying or become a target</li> <li>• Understand the feelings of all those involved in bullying – those who are bullied, perpetrators, followers and bystanders</li> <li>• Understand strategies for responding to bullying including responding assertively</li> <li>• Reinforce that it is essential that they discuss their feelings with a trusted adult, to avoid isolation and loneliness</li> </ul>
	Relationships and Sex Education			<ul style="list-style-type: none"> <li>• Identify a range of situations which involve loss and change</li> <li>• Develop coping with emotions in loss and change situations</li> </ul>

				<ul style="list-style-type: none"> <li>● Recognise a range of changes that occur during a lifetime and develop strategies for coping with future changes</li> </ul> <p><b><u>Body knowledge</u></b></p> <ul style="list-style-type: none"> <li>- Name sexual parts of males and females seen outside the body</li> <li>- Name sexual parts of males and females seen inside the body</li> <li>- Acceptable words for sexual parts to use in class and which words can be rude/offensive</li> </ul> <p><b><u>Body functions and changes</u></b></p> <ul style="list-style-type: none"> <li>- Understand that physical changes happen at different rates for different people</li> <li>- Worries about puberty and how to cope with these</li> </ul> <p><b><u>Body awareness/images</u></b></p> <ul style="list-style-type: none"> <li>- Describe why like a part of their body</li> <li>- How positive comments about appearance make people feel good</li> <li>- Fashion/media influence/desire to look like friends</li> </ul> <p><b><u>Personal hygiene</u></b></p> <ul style="list-style-type: none"> <li>- Name personal hygiene products relevant to puberty</li> <li>- Name body parts to be washed daily during puberty</li> </ul> <p><b><u>Illness/disease prevention</u></b></p> <ul style="list-style-type: none"> <li>- Name some infectious diseases and ways they can be spread</li> <li>- Explain how they can reduce spread of common diseases</li> <li>- Describe how diseases can be stopped from spreading</li> </ul> <p><b><u>The human lifecycle</u></b></p> <ul style="list-style-type: none"> <li>- Know the facts of the human lifecycle, including sexual intercourse</li> </ul>
--	--	--	--	--

Year 6	Family and Friends	Justice & Responsibility		<ul style="list-style-type: none"> <li>● Identify who is in their network of special people</li> <li>● Understanding and valuing differences within individuals and families</li> <li>● Recognise some of the pressures on relationships and develop strategies to manage them</li> <li>● Know how to access support</li> <li>● Identify ways in which they already do or could support others - recognising if family relationships are making them feel unhappy or unsafe and how to seek help or advice</li> <li>● Recognise and report feelings of being unsafe or feeling bad about any adult</li> <li>● Explore what sort of boundaries are appropriate in friendships with peers and others and understand the concept of consent.</li> </ul>
	Diversity and Communities	Spirituality		
	Drug Education	Well Being & Flourish		<ul style="list-style-type: none"> <li>● Explore their own identity and that of others</li> <li>● Understand aspects of the ethnic make-up of the local community and the national context</li> <li>● Recognise negative effects of stereotyping and prejudice</li> <li>● Recognise the different communities they belong to</li> <li>● Know about the role of the media and how it can influence them and their community</li> <li>● Explore caring for the environment, animals and plants</li> </ul>
	Safety Context			<ul style="list-style-type: none"> <li>● Explore drug types and effects including medicines (prescribed and over the counter) legal recreational and illegal</li> <li>● Understand the role of medicines in promoting, improving and sustaining health</li> <li>● Develop their knowledge, understanding and attitudes relating to alcohol, cigarettes, solvents and their effects, risks and consequences</li> </ul>

	Relationships and Sex Education			<ul style="list-style-type: none"> <li>● Begin to learn about the law relating to the use and misuse of legal and illegal drugs</li> <li>● Recognise a range of risky situations relating to drugs and substances and know where to find further information and advice</li> <li>● Talk about situations where staying safe is important</li> <li>● Identify safety issues when cycling</li> <li>● Identify ways to stay safe in the sun and have strategies to keep themselves safe</li> <li>● Identify a wider range of risky situations and have realistic strategies for staying safe e.g. railway lines, online, roads</li> <li>● Understand the rules for keeping people safe in school</li> <li>● Understand how to prevent a wider range of accidents</li> </ul> <p><b><u>Body functions and changes – Y5 learning regarding body changes and puberty is recapped at the start of the unit.</u></b></p> <ul style="list-style-type: none"> <li>- Understand that physical changes happen at different rates for different people</li> <li>- Worries about puberty and how to cope with these</li> </ul> <p><b><u>The Human Lifecycle</u></b></p> <ul style="list-style-type: none"> <li>- Re-cap the facts of the human lifecycle from Year 5, including sexual intercourse</li> <li>- What happens at a human birth</li> </ul> <p><b><u>Growing up</u></b></p> <ul style="list-style-type: none"> <li>- What they are looking forward to/not looking forward to about becoming a teenager/adult</li> </ul> <p><b><u>Personal responsibilities</u></b></p> <ul style="list-style-type: none"> <li>- Their responsibilities for the feelings/wellbeing of others</li> </ul> <p><b><u>Parents Carers Families</u></b></p> <ul style="list-style-type: none"> <li>- Understand there are different types of love</li> <li>- Special ways people ‘in love’ might behave</li> </ul>
--	---------------------------------	--	--	--

				<ul style="list-style-type: none"> <li>- The need for trust, love and commitment in adult marriage/established relationships</li> <li>- How commitment can be shown</li> <li>- Why people who are in love may choose to have a baby</li> <li>- Understand and respect a wide range of family relationships e.g. same sex partners, extended families, fostering, second marriages etc</li> </ul>

	Islam		Thematic		Judaism	
6	U2.4 How do Christians decide how to live? What would Jesus do?(Gospel) <b>Christian/other faiths visitor to class.</b>		U2.12 How does faith help when life gets hard?		U2.2 Creation and Science: Conflicting or Complementary?	

	Christianity		Thematic	Christianity
	Topic	Christian Distinctiveness	SACRE Aims See the Agreed Syllabus medium term plans for these skills broken down into year groups	Key Knowledge and Vocabulary
Year 1	What do Christians believe God is like?	Spirituality	<b>Believing</b> <b>Know about and understand a range of religions and worldviews, so that they can:</b> describe, explain and analyse beliefs and practices, recognising the diversity which exists within and between communities and amongst individuals identify, investigate and respond to questions posed, and responses offered by some of the sources of wisdom found in religions and worldviews appreciate and appraise the nature, significance and impact of different ways of life and ways of expressing meaning.	<b>Make sense of belief:</b> Identify what a parable is; Tell the story of the Lost Son from the Bible simply and recognise a link with the Christian idea of God as a forgiving Father; Give clear, simple accounts of what the story means to Christians <b>Understand the impact:</b> Give at least two examples of a way in which Christians show their belief in God as loving and forgiving; Give an example of how Christians put their beliefs into practice in worship <b>Make connections:</b> Think, talk and ask questions about whether they can learn anything from the story for themselves, exploring different ideas
	Who do Christians say made the world?		<b>Expressing</b> <b>Express ideas and insights about the nature, significance and impact of religions and worldviews, so that they can:</b> explain reasonably their ideas about how beliefs, practices and forms of expression influence individuals and communities express with increasing discernment their personal reflections and critical responses to questions and teachings about identity, diversity, meaning and value, including ethical issues appreciate and appraise varied dimensions of religion.  <b>Living</b> <b>Gain and deploy the skills needed to engage seriously with religions and worldviews, so that they can:</b>	<b>Make sense of belief:</b> Retell the story of creation from Genesis; Recognise that ‘Creation’ is the beginning of the ‘big story’ of the Bible; Say what the story tells Christians about God, Creation and the world <b>Understand the impact:</b> Give at least one example of what Christians do to say ‘thank you’ to God for Creation <b>Make connections:</b> Think, talk and ask questions about living in an amazing world; Give a reason for the ideas they have and the connections they make between the Jewish/Christian Creation story and the world they live in. <b>Make sense of belief:</b> Recognise that Incarnation and Salvation are part of a ‘big story’ of the Bible; Tell stories of Holy Week and Easter from

			<p>find out about and investigate key concepts and questions of belonging, meaning, purpose and truth, responding creatively</p> <p>enquire into what enables different individuals and communities to live together respectfully for the wellbeing of all</p> <p>articulate beliefs, values and commitments clearly in order to explain why they may be important in their own and other people's lives</p>	<p>the Bible and recognise a link with the idea of Salvation</p> <p><b>Understand the impact:</b></p> <p>Give at least three examples of how Christians show their beliefs about Jesus' death and resurrection in church worship at Easter</p> <p><b>Make connections:</b></p> <p>Think, talk and ask questions about whether the story of Easter only has something to say to Christians, or if it has anything to say to pupils about sadness, hope or heaven, exploring different ideas and giving a good reason for their ideas</p> <p><b>Make sense of belief:</b></p> <p>Identify a story or text that says something about each person being unique and valuable; Give an example of a key belief some people find in one of these stories; Give a clear, simple account of what Genesis 1 tells Christians and Jews about the natural world</p> <p><b>Understand the impact:</b></p> <p>Give an example of how people show that they care for others, making a link to one of the stories; Give examples of how Christians and Jews can show care for the natural earth; Say why Christians and Jews might look after the natural world</p> <p><b>Make connections:</b></p> <p>Think, talk and ask questions about what difference believing in God makes to how people treat each other and the natural world; Give good reasons why everyone should care for others and look after the natural world.</p> <p><b>Make sense of belief:</b></p> <p>Recognise the words of the Shema as a Jewish prayer Retell simply some stories used in Jewish celebrations (e.g. Chanukah). Give examples of how the stories used in celebrations (e.g. Shabbat, Chanukah) remind Jews about what God is like.</p> <p><b>Understand the impact:</b></p> <p>Give examples of how Jewish people celebrate special times (e.g. Shabbat, Sukkot, Chanukah) • Make links between</p>
Why Does Easter Matter to Christians?				
How should we care for others and the world and why does it matter?				

	What makes some places sacred to believers?		<p>guide their beliefs and actions; Give examples of how Muslims put their beliefs about prayer into action</p> <p><b>Make connections:</b></p> <p>Talk about and ask questions about Muslim beliefs and ways of living; Talk about what they think is good for Muslims about prayer, respect, celebration and self-control, giving a good reason for their ideas; Give a good reason for their ideas about whether prayer, respect, celebration and self-control have something to say to them too.</p> <p><b>Make sense of belief:</b></p> <p>Recognise that there are special places where people go to worship, and talk about what people do there; Identify at least three objects used in worship in two religions and give a simple account of how they are used and something about what they mean; Identify a belief about worship and a belief about God, connecting these beliefs simply to a place of worship</p> <p><b>Understand the impact:</b> Give examples of stories, objects, symbols and actions used in churches, mosques and/or synagogues which show what people believe; Give simple examples of how people worship at a church, mosque or synagogue; Talk about why some people like to belong to a sacred building or a community</p> <p><b>Make connections:</b> Think, talk and ask good questions about what happens in a church, synagogue or mosque, saying what they think about these questions, giving good reasons for their ideas; Talk about what makes some places special to people, and what the difference is between religious and non-religious special places.</p>
Year 3	How do festivals and worship show what matters to a Muslim?	<b>Spirituality</b>	<p><b>Make sense of belief:</b> Identify some beliefs about God in Islam, expressed in Surah 1; Make clear links between beliefs about God and ibadah (e.g. how God is worth worshiping; how Muslims submit to God)</p> <p><b>Understand the impact:</b> Give examples of ibadah (worship) in Islam (e.g. prayer, fasting, celebrating) and describe what they involve; Make links between Muslim beliefs about God and a range of ways in which Muslims worship (e.g. in</p>

	<p>What kind of world did Jesus want?</p> <p>How and why do people try to make the world a better place?</p>			<p>prayer and fasting, as a family and as a community, at home and in the mosque)</p> <p><b>Make connections:</b> Raise questions and suggest answers about the value of submission and self-control to Muslims, and whether there are benefits for people who are not Muslims; Make links between the Muslim idea of living in harmony with the Creator and the need for all people to live in harmony with each other in the world today, giving good reasons for their ideas.</p> <p><b>Make sense of belief:</b> Identify texts that come from a Gospel, which tells the story of the life and teaching of Jesus; Make clear links between the calling of the first disciples and how Christians today try to follow Jesus and be 'fishers of people'; Suggest ideas and then find out about what Jesus' actions towards outcasts mean for a Christian</p> <p><b>Understand the impact:</b> Give examples of how Christians try to show love for all, including how Christian leaders try to follow Jesus' teaching in different ways</p> <p><b>Make connections:</b> Make links between the importance of love in the Bible stories studied and life in the world today, giving a good reason for their ideas.</p> <p><b>Make sense of belief:</b> Identify some beliefs about why the world is not always a good place (e.g. Christian ideas of sin); Make links between religious beliefs and teachings and why people try to live and make the world a better place</p> <p><b>Understand the impact:</b> Make simple links between teachings about how to live and ways in which people try to make the world a better place (e.g. tikkun olam and the charity Tzedek); Describe some examples of how people try to live (e.g. individuals and organisations): Identify some differences in how people put their beliefs into action</p> <p><b>Make connections:</b> Raise questions and suggest answers about why the world is not always a good place, and what are the best ways of making it better; Make links between some commands for living from religious traditions, non-religious worldviews and pupils' own ideas; Express their</p>
